

6th Grade: Organization and Supplies
2024-2025 School Year

For students to stay organized, we suggest one of the following methods:

- Either a three-ring binder with dividers **OR** seven folders.
 - If you want to use a **binder**, here are some suggestions:
 - **SIZE**: 1½ to 2- inches. Nothing bigger, please!
 - **5 to 7 dividers**- dividers with pockets are fantastic but unnecessary.
 - **Notebook paper**- put 30 to 40 pieces of loose-leaf paper in the binder. Leave the rest at home and replenish as needed (wide-ruled or college-ruled is fine: your preference).
 - **Zippered Pencil pouch** with holes to put in the binder
 - If you want to use a **folder** for each class, here are some suggestions:
 - By seven folders that are assorted colors/designs
 - Plastic folders will last longer than paper folders
 - Your choice: folders with pockets only or folders with pockets and prongs
 - Put a few pieces of loose-leaf paper in each folder.
 - Your choice: Pencil pouch/pencil box
- **Pencils** (put 3-4 in pencil pouch and replenish from home as necessary)
- **Pens** (put 3-4 in pencil pouch and replenish from home as necessary)
- **Highlighters** (put 2 in pencil pouch and replenish from home as necessary)
 - **Cap Erasers or Pink Pearl erasers**
 - **Hand-held pencil sharpener**
 - **Colored Pencils**
 - **Scissors**
 - **Ruler**
 - **Wired Earbuds/Headphones** with a USB plug are preferred and must be brought daily- these will be left in the laptop bag once your child receives a laptop. No wireless earbuds or AirPods, please.
 - **Scientific Calculator** (can be used for 6th-8th grades) – recommended: Texas Instruments TI-30XIIS
 - **County-provided laptops will need to be brought daily- be on the lookout for information regarding laptop distribution in July!**
 - **Donations of the following are always accepted and greatly appreciated!**

Tissue

Disinfectant wipes

Paper Towels

Pencils
