## FAMILY PROMISE OF COBB COUNTY

Family Promise of Cobb County is here to help families who are homeless and have minor children. Our goal is to provide their basic needs for up to 90 days while they work and save 50-80% of their income towards future housing. We are NOT an "emergency shelter". We cannot intake a family on the same day of an inquiry call as we are a transitional shelter. Families wishing to use our free services: Must have minor children in their custody. May not be using drugs/alcohol (we drug screen). May not have felony records (we background check). May not have severe mental health diagnosis. Adults in the family must be able and willing to be employed FULL time. Families should have some recent history (in last 2 years) of some steady independent housing and employment history. Families in need should call us at 678-594-3150 to discuss their situation. "Family Promise of Cobb County provides 24-hour shelter, meals, transportation and supportive services for up to 90 days. The program is a partnership with faith communities throughout Cobb County; however, religious values are not required or imposed on our guests. In partnership with Family Promise of Cobb County, congregations provide overnight lodging by converting meeting rooms (or other areas) into private or semi-private bedrooms for each family. A home-cooked dinner, sack lunches, and breakfast are provided everyday. Each participating "host" congregation hosts guests from 5:30 p.m. to 7:00 a.m. for one week. On Sundays, guests move to a new congregation. Volunteers move guests' belongings to the next host congregation. Family Promise of Cobb County provides families with a Day Center to use as their "home base" during their stay. At the Day Center, guests work on self-sufficiency plans and meet with staff (Program Director and Professional Case Worker). We provide daily transportation between the Day Center and Host Congregations. Once at the Day Center, guests will have daily access to shower and laundry facilities. Guests accepted into the program may be eligible to receive the following additional services and assistance, either through our Program Director, Assistant Case Manager, or in the form of referrals, as applicable and available: Toiletry items & diapers Phone & Internet access Housing Searches Employment Searches Day Care Assistance Clothing Budget Management Credit Counseling Parenting & Nutrition Classes Medical & Dental Care Gas Assistance Auto Repair/Donation"
