

SUMMER GRAMMAR STUDENTS

Help! The villain Nounser has stolen Princess Teach of Grammar World! Nounser has filled all of the streets with tasks and challenges that even the most skilled grammar master has to complete. No fear! The Super Grammar Bros™ are here to make their way through Nounser's tasks and rescue Princess Teach.

Directions: This summer you get to review all the different levels to be a super grammar master. You will become an expert grammar gamer! **Do NOT let your grammar game Warp Zone during the summer.** Go through each of the topics in order to review key skills to help you become a stronger ELA student. Each topic contains different videos, games, and activities in order to gain key skills and knowledge. You can review each topic as many times as you want!
