Additional Notes

- *Criteria above are for the 2026-2027 school year; criteria subject to change as placement decisions are contingent on teacher availability, student enrollment, and class size limits.*
- *Placement criteria cannot be waived, but parents may opt out of AC placement.*
- *Placement requests or teacher recommendations do not guarantee a seat.*
- *Lexile scores from Beacon assessments are used for placement; the highest score available at the time of scheduling is considered.*
- *If current criteria are unavailable, prior test scores or other data may be used for placement decisions.*
- *All high school courses are year-long; successful completion earns one high school credit.*
- *All gifted-identified students (as required by the state DOE) must be served in at least one AC class in their area of strength.*
- *Students must maintain an 80% average each quarter to remain in an AC course.*

Abbreviations

AC = Advanced Content

EOG = End of Grade, Milestones

Beacon = Georgia Department of Education Assessment, aligned with EOG to be given 3 times/year

Students must meet one of the bulleted criteria for eligibility for each course.
