

Byrdhouse Art Club

Pickett's Mill Elementary School

Kindergarten through Fifth grade

Painting, Drawing, and Collage Classes

Your child will have so much fun in this enriching fine arts program exploring painting, creative collage methods, and skilled drawing techniques. We will use a wide array of quality art mediums that includes pastels, paints, brushes, markers, color pencils, a variety of papers, found objects, glue, etc. The lessons will include the principles and elements of art plus art history.

One artwork is completed in each class.
