
ASP Clubs

Archery	Students will AIM to increase their knowledge and skills of Archery through participating in a wide variety of activities in a classroom setting and an outside archery range. Students will learn the safety rules, procedures, and techniques to properly use a Recurve Bow.
Art Club	Students will learn the basic elements of art and how to incorporate these elements into an art project.
Athletics	Students will engage in games like flag football, soccer, basketball, kickball, 4-square, and much more. Students will learn to follow rules, work together for a common goal, and gain an understanding of team building.
B-I-N-G-O	Students will play BINGO games featuring alphabet, sight words, and arithmetic, alternating subjects each week.
Create \$ Design	Students will devise a business name and logo. They will design their own products, and create them using supplies they “purchase” from our club store using play money. Objectives of the club: 1.) Introduce students to basic entrepreneurship and money concepts, 2.) Enhance creativity and innovations, and 3.) Improve social skills.
Games Galore	Students will game in a variety of ways including board games and computer games using the Wii. Students will develop teamwork and social skills such as sharing and taking turns.
Gymnastics	Students will learn basic tumbling skills and improve their balance, flexibility, and coordination.
Learning’s Fun	Students will engage in 1.) Crazy Stories, 2.) Crossword Puzzles, 3.) Shapes/Colors, 4.) Word Scrambles, 5.) Math Coloring Sheets, 6.) Seasonal Worksheets, 7.) Flash Cards, and 8.) Word Searches to develop grammar, vocabulary, spelling, and memory skills.
Mystery Science	Students will observe and investigate the world around them. They will be encouraged to ask questions, formulate and test their hypotheses, and conduct hands-on experiments to foster curiosity and future scientists.
Readers Theater	Students will practice reading fluency by reading aloud from fiction and non-fiction scripts from literature.
Spanish	Students will be introduced to basic Spanish vocabulary and grammar to build the foundation for a second language.
Story Time Fun	Students will listen to a story and engage in an activity that reinforces the story.
