

EXPLORE STEM AT BELLS FERRY ELEMENTARY

Plug into Creativity

NOW REGISTERING

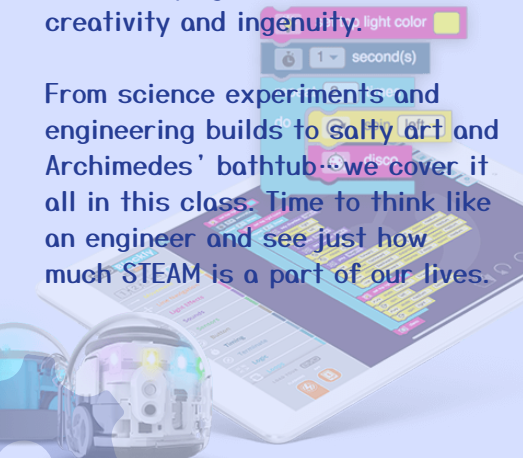

K - 2ND

Adventure in STEAM
2:45 - 3:45 Fridays

Explore the world of STEAM as we delve into science, technology, engineering, art and math with hands-on projects focused on creativity and ingenuity.

From science experiments and engineering builds to Salty art and Archimedes' bathtub, we cover it all in this class. Time to think like an engineer and see just how much STEAM is a part of our lives.

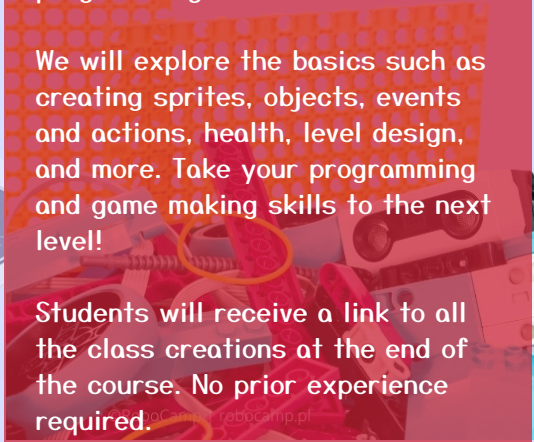

3RD - 5TH

Game Design with GameMaker
2:45 - 3:45 Fridays

The game making fun continues! Time to build on your child's game creation skills and lay a strong foundation for their future in programming!

We will explore the basics such as creating sprites, objects, events and actions, health, level design, and more. Take your programming and game making skills to the next level!

Students will receive a link to all the class creations at the end of the course. No prior experience required.

SIGN UP ONLINE TODAY TO GUARANTEE YOUR CHILD'S SPOT!

\$275 for 12 Weeks (Can be paid in two installments)
Class run 1/31 - 5/2. No classes on holidays/school breaks
