What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Belmont Hills Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Marilyn Valenzuela at (678) 842- 6810 or Marilyn.valenzuela@cobbk12.org to provide feedback.

District Goals for Student Achievement

- By SY26 , increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Belmont Hills Elementary Goal(s) for Student Achievement

Goal #1:

The percentage of kindergarten students demonstrating at/near or above grade level proficiency will increase from Fall 2024 to Spring 2025 by at least 10% as measured by the Amira in Spring 2025. The percentage of 1st – 2nd grade students scoring proficient and above in reading will increase from Fall 2024 to Spring 2025 by at least 10% as measured by the Beacon assessment.

Teachers, Parents, and Students-Together for Success

Belmont Hills' Teachers

Teachers will work with students and their families to support students' success in reading. Some of our key connections with families will be:

1. Teachers will provide parents with a word list, according to spelling patterns that have been taught.
2. Teachers will provide parents with decodable books to read with their children.
3. Provide a weekly CTLS post for parents about upcoming learning.

Belmont Hills' Families

Families can support students' success in reading by:

1. Practice word list sent home and recognize them in everyday tasks.
2. Parents will provide opportunities for children to read decodable books to them.
3. Parents will review the weekly CTLS post, and be given the opportunity to ask questions to support their child at home.

Belmont Hills' Students

Students thought of the following ideas to make connections between learning at home and school:

1. Practice word list at home with parents.
2. Read independently at home for 20 minutes a night with a decodable book, and discuss with parents what was read.
3. Read the weekly CTLS post with parents.

One Team, One Goal, Student Success!
