\*Bilingual IWC and ESOL staff are available to assist the enrolling adult in ANY language at the support sites. IWC/ESOL staff members will connect with an external agency for on-demand language services to support the online registration process.

Every attempt should be made by the local school to enroll the family prior to sending to the enrollment support site.

Please contact the IWC with any questions at 678-331-3086, ext. 261.
