

Course Extension Spring Semester 2025

Kennesaw Mountain High School will offer students the opportunity for extended time in one (1) credit course because the student earned a final course grade between 60% - 69%. Course Extension allows students to complete work and assessments over subject matter determined by their teacher. Upon successful completion of work, a student can achieve a maximum grade of 70%. The *ONLY* classes that qualify for Course Extension are core subject classes** (see list of eligible courses below).

Course Extension Registration and grading policy: Students whose **current grade** in an eligible course is **between 55% and 70%** should pre-enroll for Course Extension. **Once final grades are released, students with a grade below 60% or above 70% (passing) will be unenrolled** from Course Extension automatically.

Please find the application using this [Link for Seniors](#) and this [Link for Non-Seniors](#). **Note that the deadline to return completed contracts is Friday, May 23, 2025, by 3:00 pm to Miss Karen Kline in room 603.**
