## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of City View worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Yocelyn Suarez at 770-819-2553 or [yocelyn.suarez@cobbk12.org](mailto:yocelyn.suarez@cobbk12.org) to provide feedback.

## City View Teachers

Teachers promote at home reading by setting goals, providing reading logs, and conduct reading challenges. Students will read for 20-30 minutes a day, five days a week. Students will record the book title, pages read, and a brief summary

Teachers will provide online resources to reenforce math standards and reading fluency.

Offer family engagement events that target literacy skills and math standards (Literacy Night, Data Nights, and Parent Workshops that concentrate on strategies to increase academic achievement).

## City View Families

Parents will utilize reading logs provided by teacher to work with student five times per week for 20-30 minutes a day.

Parents will utilize online resources provided by teacher/school two-three times per week for 20 minutes a day.

Parents will attend academic nights offered by the teachers and school.

## City View Students

The students will use support of the family member to authenticate reading.

The students will share examples of how they use onlive resources during morning meetings.

The students will relay notices about school events and practice with family strategieand activites learned at the event that will increase academic achievement.

*One Team, One Goal, Student Success!*
