Dr. Stephanie Santoro, Principal

August 1, 2024

Dear Parent or Guardian,

Walton's Organizations and Clubs provide opportunities for student involvement in non-curriculum-related Organizations and Clubs that promote a sense of community and allow students to express their interests, beliefs, and passions. Organizations and Clubs are student-initiated and student-led based on religion, political interests, artistic interests, medical interests, philosophical beliefs, and much more.

By completing this permission form, you permit your child to participate in the organization and/or club and acknowledge that it is non-curriculum related and may hold or espouse various religious, political, philosophical, or other beliefs. By policy, parental permission is required for any student pursuing membership in an organization or club affiliated with their school. This requirement applies to all organizations and clubs. Please become familiar with Walton clubs and organizations on our website at www.waltonhigh.org.

This document must be signed by a parent or legal guardian and returned to the organization or club sponsor before the student may be enrolled as a member of the organization or club.

Student's Name _____ Grade _____

Organization/Club Name _____

Parent/Guardian Name (printed) _____

Parent/Guardian Signature _____ Date _____
