

ABOUT

Cobb Horizon High School is built around one mission: "Together We Create Graduates!" Students choose Cobb Horizon when they need a different path to a diploma — because of work or family obligations, a need to catch up on credits, a transfer from out of state, or other personal circumstances. Coursework is self-paced and largely online, delivered in small classes with one-on-one support from Georgia-certified teachers across three flexible daily sessions. The result, seen in the school's December 2025 graduation, is students — many of whom are the first in their families to finish high school — crossing the stage after overcoming real obstacles.

MISSION Together We Create Graduates!

LEARNING THAT FITS YOUR LIFE

Instruction is self-paced and primarily online, letting students work ahead or take the time they need, with small-group settings and one-on-one support from Georgia-certified teachers. An optional Friday School gives students extra help or a chance to catch up throughout the year.

WRAPAROUND STUDENT SUPPORT

Cobb Horizon supports each student through small classes, tutoring, and community partnerships. That includes the Communities In Schools partnership, optional Friday tutoring, and small-class instruction designed for students juggling work, family, health, or housing instability alongside coursework.

PATHWAYS BEYOND THE DIPLOMA

Cobb Horizon maintains a dual enrollment program for students pursuing college credit alongside their diploma, and partners with Communities In Schools on "Reality U," an annual financial-literacy event connecting income to career preparation.

SECOND-CHANCE GRADUATES

In December 2025 alone, 95 students completed every graduation requirement, with 72 crossing the stage at a ceremony hosted at Harrison High School — several being the first in their family to earn a diploma after overcoming serious illness, homelessness, or other obstacles.

The Parent Perspective

"Cobb Horizon met my child where they were and refused to leave them there. That diploma changed our family."

The Student Experience

"I needed a school that worked with my life. Horizon built the schedule and the support that got me to a diploma."

Every student here is writing a comeback story.

Our whole school is built around one promise: together we create graduates, and we mean together.

Dr. Andrea Jenkins-Mann, Principal

BY THE NUMBERS

981 average SAT — 2024-25 school average.

95 students earned diplomas in December 2025 alone — with 72 walking the stage at the December 9 ceremony at Harrison High School.

Where those graduates went next: 42% to a two- or four-year college, 18% to apprenticeships or certifications, 5% to military service.

First-ever spring commencement held May 19, 2025 at the KSU Convocation Center, alongside the Cobb Online Learning Academy — formally joining the district's graduation calendar for the first time.

ACCOMPLISHMENTS

First-Ever Spring Commencement: Cobb Horizon and the Cobb Online Learning Academy held their first spring commencement at the KSU Convocation Center on May 19, 2025.

December Graduation Milestone: 72 students crossed the stage on December 9, 2025 — part of 95 who completed requirements that month — several being the first in their family to earn a diploma.

New Principal Named: Dr. Andrea Jenkins-Mann, a 20-year Cobb Schools veteran and former nine-year principal of McCleskey Middle School, was named principal in June 2026, citing the school's "commitment to innovative and personalized learning."

STAR Recognition: Senior Lily Watson and teacher Amber Jackson were named the school's 2025 STAR Student and STAR Teacher, standing alongside honorees from every Cobb high school.

Reality U: The annual financial-literacy event with Communities In Schools teaches students goal-setting, money management, and the link between income and career preparation.

A School Built From Two: Cobb Horizon was created in 2018 through the merger of Oakwood Digital Academy and the Cobb Performance Learning Center.

CCSD Social Worker of the Year: Bethany Miller, Cobb Horizon's social worker, earned the district honor.

First OSHA-Certified Class: In October 2025 Cobb Horizon graduated its first group of OSHA-certified students, taught by CTAE instructor Jeff Clancy.

Senior Spotlight — Muhammad Khan: Featured in the district's Class of 2026 series, Khan arrived from Pakistan in 2013 speaking two words of English and graduated via Cobb Horizon's flexible model while working and supporting his family. He's headed to Georgia State to study finance.
