

INNOVATION FRIDAY

@ COLA

AUGUST 22ND 12:30-1:30PM
COBB HORIZON HIGH SCHOOL
1ST FLOOR CAFETERIA

Ready to level up your coding skills? Join us for a hands-on tech adventure where you'll fly **Tello Drones** using block code, or build your own video games with **Bloxels**! This event is all about creativity, innovation, and having fun with technology. Come explore how coding can bring your ideas to life and see just how far your imagination can fly!

**CODE A TELLO
DRONE WITH
SCRATCH**

**DESIGN A VIDEO
GAME WITH
BLOXELS**

INSTRUCTIONAL TECHNOLOGY
ONE TEAM. ONE GOAL. STUDENT SUCCESS.

Stay tuned for information on the next Innovation Friday on **September 12th**.
