

Friday Challenges at COLA

A Partnership with Cobb's
Instructional Technology Department

Fun Merch

Join us on Fridays to explore cool technology, to solve exciting challenges and to win prizes, including a chance to win a 3D pen. All attendees are eligible, and the more you participate, the greater your chances of winning.

Special
Drawing for
3D Pen

Schedule

High School Students

10:00 am - 11:30 am

Middle School Students

11:30 am - 1:00 pm

**Service Hour Opportunities for
High School Students**

Looking to earn some service hours?
Consider volunteering during middle
school hours to mentor younger
students during their challenges.

Can't make it in person? No worries!
Tune in for the online challenges posted after
each Friday event.
