

# **COLA Student and Parent Handbook**

Welcome to the Cobb Online Learning Academy (COLA)!

We are excited to welcome you to the COLA community and honored that you chose us to educate your student. Founded in 2021, we are a new and growing program designed to offer a viable, full-time, online learning option to all Cobb County 7<sup>th</sup> to 12<sup>th</sup> grade students.

The Student and Parent Handbook outlines policies and procedures to help improve your experience at COLA. If you have any questions about the contents of this handbook, reach out directly to your student's advisor or to a school administrator.

# **Overview of COLA**

Cobb Online Learning Academy (COLA) is the full-time, online public school in the Cobb County School District for both middle and high school students. Students participate in a combination of live (synchronous) and independent learning experiences (asynchronous) that align to the Georgia Standards of Excellence. The Georgia Standards of Excellence are inclusive of the Common Core standards and provide a consistent framework to prepare students for success in college and the 21<sup>st</sup>-century workplace.

The full course catalog for COLA students in grades 7-12 can be found on our website. COLA has broad curriculum offerings in all core-content areas (English, Math, Science, Social Studies), six Career Tech Pathways, Spanish, and Art pathways, Physical Education, and Academic Electives.

# One Team, One Goal: Student Success

# COLA is a school of excellence where all students succeed.

## **The School Day**

Our school day is scheduled from 9 a.m.-3:30 p.m. daily, and each day begins in Advisement. Each student is assigned an advisor who will be an advocate for the student and serve as the main point of contact for students and parents. Your student's advisor will assist with social and emotional acclimation to online school, monitor academic progress and attendance, help connect students with resources needed for success, and lead team building activities. Middle school classes are 50 minutes long, and high school classes are 80 minutes. All teachers are available for the entire scheduled class period. Bell schedules are posted on the COLA website.

#### **Academic Calendar**

The academic calendar is set by Cobb County Schools and is posted on our school website.

#### **Academic Integrity**

COLA requires the original work of all students. Students are expected to properly cite the origin of work that is not their own. If content other than commonly known facts is not properly cited, attributed, or credited, the work may be determined to be plagiarized. Students are expected to turn in original work on assignments, tests, projects, etc. COLA utilizes several instructional technology programs to detect plagiarism and other forms of cheating or academic dishonesty in students' work. Repeated offenses may result in a disciplinary referral.

#### **Academic Policies**

COLA offers virtual classes with live instruction in all core content areas, selected Career Tech Pathways, World Languages, Fine Arts, Physical Education, and selected academic electives. Our course offerings are driven by state and federal curriculum requirements and by student interest.

Middle school core courses are offered at the co-taught, on-level, and Advanced Content (AC) levels. High school courses are offered at the co-taught, on-level, honors levels, and Advanced Placement (AP) levels as applicable. Student course placement is based upon academic appropriateness as determined by the school counselor and school administrator. Students may be placed in courses to meet graduation/promotion requirements (see page 17), acceleration needs, and/or remediation needs. The Cobb County School District observes the following grade scale: A 90-100; B 80-89; C 74-79; D 70-73; and F below 70. A student's grade point average (GPA) is based on quality points awarded for each grade earned. Whether the student passes or fails the course, all courses taken in high school impact the GPA. Quality points are awarded as listed:

Quality Points				
Regular Courses	Honors Courses (See school registration forms)	Advanced Placement (AP) courses		
A = 4 Quality Points	A = 4.5 Quality Points	A = 5 Quality Points		
B = 3 Quality Points	B = 3.5 Quality Points	B = 4 Quality Points		
C = 2 Quality Points	C = 2.5 Quality Points	C = 3 Quality Points		
D = 1 Quality Points	D = 1.5 Quality Points	D = 2 Quality Points		
F = 0 Quality Points	F = 0 Quality Points	F = 0 Quality Points		

#### **Advanced Placement Courses**

Advanced Placement courses are approved by the College Board. These rigorous college-level courses have an increase in workload and high expectations for greater critical thinking, analysis, and clear written and verbal communication. Prior academics, teacher recommendation, test scores, and appropriateness of course will be taken into consideration for placement into Advanced Placement courses. A passing grade in the course will be accepted for high school credit, and a score of 3 or higher on the AP Exam may earn students college credit and/or placement into advanced courses in college.

#### Attendance

Prompt and regular attendance ensures students receive all instructions and activities for the day. Regular attendance and participation also communicate to a teacher that students are eager and ready to learn. When students are tardy, class is disrupted for all students. When students are absent, it is their responsibility to contact the teacher about missed instruction, assignments, or tests.

- Attendance is taken daily in all classes. Students are expected to be live on camera with forehead to chin visible during each scheduled class period. To be counted present, students must be on-time, live on camera with forehead to chin visible, and responsive to teacher prompts either verbally or through chat.
- Students will be counted tardy if they enter class 5+ minutes after the scheduled start time.
- Students will be marked absent if they enter class 10+ minutes after the scheduled start time.

• Once class begins, teachers no longer monitor the waiting room in Zoom, and students may need to wait longer for the teacher to let them into class. Students should contact their teacher through email when they are in the Zoom waiting room.

#### **Bell Schedules**

Bell schedules for both middle and high school are posted on our school website. Monday-Thursday the school day for all COLA students runs from 9 a.m.-3:30 p.m. Friday Office Hours are from 9 a.m.-12:00 p.m.

#### **COLA Contacts**

- Attendance verification questions and concerns should be directed to the Attendance Clerk, extension 046.
- If a student needs a Certificate of Enrollment for their driver's license application, they should contact the Attendance Clerk, extension 046.
- Official transcripts, which are paid through ParentVue & via My Payments Plus, may be picked up from the COLA secretary, extension 040. An unofficial transcript is free. Reasons a student would request official transcripts include use with college applications, scholarship applications, financial aid requests, and prospective employment.
- Students who are required to have a work permit for employment may contact the COLA secretary, extension 040.

## **Counseling Department**

COLA's dedicated school counselors are trained to meet the unique needs of online students. For more information, visit our school website under Resources: Counselors' Corner.

# **Course Syllabus**

Each course will publish a course syllabus on or before the first day of class. The course syllabus is the best place to find information about a specific course, including grading policies and important dates or deadlines.

#### **Clubs and Activities**

COLA offers a myriad of academic, social, and community service clubs for both middle and high school students. COLA students may not participate in clubs or activities at their zoned school; this includes participation in high school fine arts or athletics. Middle and high school students may participate in non-school sponsored athletic or social clubs and organizations at their zoned school. High school students may attend school dances if invited by a student at the zoned school.

#### **Dual Enrollment**

Sophomores, juniors, and seniors may participate in the Dual Enrollment program. The Dual Enrollment program offers Georgia high school students an opportunity to simultaneously receive high school and college credit when attending and passing approved college classes. The courses are paid for by the state and are at no cost to the student when college eligibility requirements are met. Dual enrollment is available online or in-person on the college's campus, depending on what the student chooses. A large variety of academic-based classes are available. Dual enrollment also offers a diversity of opportunities for students. High-demand trade skills

such as welding, auto mechanics, and digital technology (to name a few) are readily available for those seeking to be career-ready while still in high school. Your school counselor has more information on Dual Enrollment.

# **English Language Learners (ELL) services**

COLA is equipped to implement ELL services for students.

#### Flex Fridays

Flex Fridays provide flexibility for COLA students in several ways. Teachers hold office hours on Fridays from 9 a.m. to noon. During that time, teachers offer opportunities for targeted intervention and extension opportunities. Students can seek extra help and get caught up on academics. Based on teacher discretion, this time can be on an individual or small-group basis.

To build community, Fridays also allow time during the school day and school week for students to interact in person with their peers and their teachers in activities such as advisement meetings, team building and PE outings. Additionally, this time allows students to come on campus for scheduled social events with teachers and peers. COLA students also use this Flex Friday time to participate in organized field trips hosted by advisement teachers or academic teachers; we strive to notify families of field trips two weeks prior to the event. This Flex Friday time is valuable for student success in life skills and coursework connections.

#### **Honor Graduates**

After the final computation of the grade point average, students with a weighted GPA of 3.500 or higher are recognized as Honor Graduates at graduation.

#### Illness or Inability to Participate in Courses

If an unexpected situation should arise, and the student will miss class instructional time, the student is required to follow these steps:

- Contact your teachers via email to explain the situation as soon as possible.
- Even if a student is sick and provides a doctor's note, any missed progress or hours are still required to be made up within a set timeframe.
- When possible, discuss a plan to make up the missing coursework with teachers prior to the absence.
- If the inability to participate is not due to illness, the family should determine if Internet access is available (through libraries, hotspot, etc.).
- In the event of an extended inability to participate, the teacher will make the administration aware of the situation to determine if further action is required.

#### **Late Work**

COLA students are expected to submit assignments by the established deadline. All teachers will accept late work up to the end of the unit or final full day of the current grading period, whichever comes first.

#### **Learning Resources**

All required learning resources are available online through the Cobb Teaching and Learning System (CTLS) or through other instructional programs provided by COLA. No physical copies or textbooks will be required for students.

#### **Other Online Programs**

Students may supplement course offerings at COLA with courses through the Georgia Virtual School (GAVS) or the Cobb Virtual Academy (CVA).

#### **Promotion/Retention**

CCSD Admin Rule IHE-R indicates promotion/retention criteria, which is based on the number and type of credits/units a student has earned. Requirements from IHE-R for promotion to each grade level:

**10th grade**: 5 units including one unit each of required English, math, and science.

11th grade: 10 units including two units each of required English, math, and science.

**12th grade**: 16 units and entering fourth year in high school based on the 9th grade entry date. Students who are retained will remain in the same advisement the entire year and must retake the failed classes needed for promotion.

#### **Section 504 Services**

COLA is equipped to implement services provided through a 504 plan. Amendments to 504 plans may be made upon enrolling to be relevant for the online delivery model.

#### **State Assessments**

Several state assessments throughout the year require students to test in person. For middle school students these include EOG and ACCESS for ELLs testing. For high school these include the following: EOC, ACCESS for ELLs, Advanced Placement (AP), End of Pathway Assessments (EOPA), SAT, and ACT. Students may be required to report to their zoned school for testing. In some instances, testing may be completed in-person at COLA. When required to report to zoned schools for an EOC, school buses will be provided; in other cases, parents must transport their students. All specific course assessments (quizzes and tests) are taken virtually.

#### **Student Devices and Internet**

The Cobb County School District (CCSD) provides laptops for all students in grades 7-12. Student laptops may be checked out from COLA during established distribution days throughout the year. Students are highly encouraged to use the CCSD computer or laptop because of limited access to course materials using personal phones, tablets, Macs, or Chromebooks. Technology assistance is limited to students using a district device. Additionally, students must have access to a strong and reliable internet connection. Internet service is NOT provided by COLA or CCSD.

#### **Students With Disabilities Services**

COLA is equipped to implement Individualized Education Programs (IEPs) for students. Amendments to IEPs may be made upon enrolling to be relevant for the online delivery model.

#### **Test Retakes**

Following a school-wide policy, all summative assessments (unit tests, unit projects, major writing assignments, etc.) may be retaken one time for full credit. Before a make-up is allowed, students are required to complete specific remediation or coursework. For example, if a student takes a test and earns a 45%, that student would work with the teacher during office hours to relearn the material; when the student retakes the test and earns an 88%, the grade of 88% would replace the 45%.

# **Student Expectations**

#### Advisement

All students will be assigned an advisor. Advisement is required and is a very important class of the day, allowing students to learn about school-wide deadlines and policies, connect with their peers, and communicate with their advisor who will serve as an advocate, coach, and point of contact for families. What is Advisement at COLA? (cobbk12.org)

#### Attendance

Attendance is taken daily in all classes. Students are expected to be live on camera during each scheduled class period. To be counted present, students must be on-time, live on camera, and responsive to teacher prompts either verbally or through chat.

- Students will be counted tardy if they enter class 5+ minutes after the scheduled start time.
- Students will be marked absent if they enter class 10+ minutes after the scheduled start time.
- Once class begins, teachers no longer monitor the waiting room in Zoom, and students may need to wait longer for the teacher to let them into class. Students should contact their teacher through email when they are in the Zoom waiting room.

#### Camera Use

Students are required to be on camera during all times unless released by the teacher to work independently. Cameras shall show the student's face from forehead to chin, not the ceiling fan, wall, etc. This allows the teacher to ensure that students are in attendance, engaged in the lesson, and actively participating in the learning activity. Visually connecting online also allows teachers to read facial expressions and other cues about student understanding and engagement. COLA-provided laptops have integrated webcams

#### Communication

Students are required to communicate with their advisor, teachers, and/or school counselor for a variety of reasons. In an online environment, communication is imperative to student success. Students should communicate professionally through their CCSD student email unless told otherwise by an individual teacher, and they are required to respond to their teachers in a timely manner. Communication may also occur by email and should be responded to as well.

#### **Dress Code**

To maintain high expectations and to support a conducive online learning environment, please adhere to the following dress code:

- Undergarments may not be exposed.
- Shirts or blouses that are cut off to expose stomachs and lower back or show cleavage or midriff are prohibited.
- Clothing which advertises alcohol or substances that are illegal for minors or display suggestive phrases, designs, markings, or profanities are prohibited.
- Hats, caps, bandanas, bonnets, or other head coverings may not be worn. Head coverings worn for religious or medical reasons will be approved by administration.
- Clothing that displays weapons, violence, gang affiliations, or any other clothing that causes a disruption is prohibited.

As in all matters of dress code, determination of conformity is ultimately at the discretion of administration. Students who fail to adhere to the dress code may be subject to consequences for not following instructions.

#### **Grade Monitoring**

Students are expected to monitor their grades and assignments through CTLS and StudentVue. Any issues should be communicated to teachers.

#### **Interactions with Peers**

Students are required to interact appropriately with teachers and peers through microphone, chat, and other apps or programs identified by the teacher. Students should communicate in a professional, courteous, and respectful manner. This not only includes the way a student speaks to others in both live discussions and chats, but also includes practicing active listening skills, asking follow-up questions, affirming the statements of others, and/or adding to the conversation in meaningful ways, all while remaining on camera.

#### Microphone Use

Students are required to respond verbally to teacher prompts, engage in discussions with classmates, and confirm attendance. COLA-provided laptops all have integrated microphones.

#### **Self-Motivation**

To achieve individual academic success, students should exhibit self-motivation as they direct their own learning environment and procedures to fulfill course requirements. Students should work independently and contact their teachers for support as needed.

#### **Technology Skills**

COLA utilizes a variety of instructional technology programs to facilitate teaching and learning. Students should be comfortable navigating CTLS and Microsoft Office 365 (Word, Excel, PowerPoint, OneDrive). Students will also learn and use specific programs for their coursework. Students should know basic computer skills such as utilizing email, maneuvering through the Internet, and basic keyboarding skills.

# Workspace

Students are expected to attend class from a dedicated workspace free of distractions. Distractions include showing background posters or items which may be offensive or draw away the attention of other students, playing video games during class time, wearing inappropriate

clothing or head coverings, and/or disrupting the class with loud background noise. Student workspaces should be well lit and promote active participation. It is not appropriate for students to attend class from their bed, lying down on a couch, travelling in a car, while in a public place which may distract the learning of others, or in other situations that limit active participation.

## **Family Expectations**

To be successful in the online environment, students must have strong support at home. This includes a variety of factors, some of which are listed below.

#### Absences

- Attendance notices: If a student has been absent, parents will receive attendance notices in the afternoon. In that notice, parents should select the link to type in any notes or absence excuses.
- Doctors' appointments: Doctors' notes should be emailed to colasupport@cobbk12.org.
- Upcoming absences: Should parents know of an upcoming student absence in advance, please contact the attendance clerk through COLAsupport@cobbk12.org.
- Check ins and check outs: For early check outs, please email the attendance office through <a href="mailto:COLAsupport@cobbk12.org">COLAsupport@cobbk12.org</a>. Advanced notice is helpful for absences and check outs. For late arrivals into class, students should email their teacher.
- College Visits: Students and their parents/guardians may plan to visit colleges and universities as they make post-high school graduation plans. For absences due to college visits to be considered excused, official documentation from the institution including dates and times of tours, appointments with admissions counselors, etc. (on college or university letterhead) must be emailed to the attendance clerk through <a href="COLAsupport@cobbk12.org">COLAsupport@cobbk12.org</a>. Brochures, campus maps, or email confirmations of the visit or tour will NOT qualify as appropriate and sufficient documentation of a college visit. Juniors and seniors may use two days per academic year as excused absences for college visits. Excessive absences (excused or unexcused): At the discretion of the administration, a referral to the School Social Worker can be made at any time for a student's excessive excused/unexcused absences. Previous years' attendance records may also be taken into consideration.

COLA's protocol for reporting absences and the full Cobb County School District attendance protocol can be found here: <u>Student Absence Protocol (cobbk12.org)</u>

# **Family Technology Resources**

Tutorials on how to sign up for and use ParentVue and CTLS are linked on our school website under Resources. Access to both programs is vital to monitor your student's progress and to receive information directly from teachers, school counselors, and administrators.

#### **Grade Monitoring**

Parents or guardians should monitor student grades through CTLS and ParentVue. Any issues should be communicated to teachers.

#### Misconduct

Disciplinary actions taken for misconduct are progressive in nature and will be determined by the appropriate administrator based on the circumstances of the specific infraction and the student's previous disciplinary conduct. These rules are found at www.cobbk12.org under Administrative Rule JCDA-R. CCSD Student Code of Conduct

#### **Protected Class Time**

To help students succeed, the school day must be protected and free from distractions for students. The COLA school day is Monday-Thursday 9:00 a.m.-3:30 p.m & Friday 9:00 a.m.-12:00 p.m. These hours are school hours. For example, students should not be responsible for watching siblings or completing other chores during the school day.

#### **School Communications**

We encourage parents to maintain active communication with teachers. CCSD Administrative Rule IHAD-R recognizes that effective communication between the school and the home is essential to the success of students. This CCSD rule also recognizes that the delivery of information to the home is a responsibility that must be shared by school personnel and students. Parents should provide valid daytime contact numbers and email addresses. All students are expected to convey messages, report cards, and other documents between the school and their parents/guardians. School personnel are responsible for making reasonable effort in the communication process, including e-mail, telephone calls, and messages to parents/guardians. COLA administration and faculty strongly encourage students and their parents/guardians to communicate their concerns to teachers as soon as a problem becomes evident. If a student has a concern or a problem in a class, then he/she should communicate with the teacher. Students and/or parents/guardians are also encouraged to contact the appropriate school counselor with any concerns. Communication etiquette is important for both parents and students. Respect is necessary for effective communication. Please refrain from inappropriate tones and comments when making efforts to communicate. At any time, parents/guardians may access their student's grades through Synergy ParentVUE portal online.

#### **Student Devices and Internet**

The Cobb County School District initiated a program to provide a laptop to all middle school and high school students to assist with their instruction. It is the intent of this initiative to bring learning flexibility and options to any family who chooses to receive a device. A District computing device will be for educational purposes. At no time will the equipment be used for any other use, including personal, commercial, or business use. Technology equipment must be returned in the same condition the item was in at the time of check out. For more information, please reference the Student Laptop Program: <a href="Student Laptop Program">Student Laptop Program (cobbk12.org)</a>. COLA will provide any student with a laptop. COLA students cannot access all course materials using a phone, tablet, Mac, or Chromebook. Additionally, students must have access to a strong and reliable internet connection. Neither COLA nor CCSD can provide internet service.

# **Supervision**

To facilitate student success, parents or guardians must monitor student progress, encourage student participation, and communicate with teachers early and often about concerns. Depending on the age and maturity of the student, constant supervision is recommended.

# **Transportation**

It may be required that students report to COLA or to another Cobb school for a variety of reasons including, but not limited to, testing, field trips, or tech support/ troubleshooting. Parents/guardians should arrange transportation for their student as needed.

# **Truancy**

The primary goal of an attendance protocol is to address unexcused absences for students ages six to 15. Cobb County School District has a set truancy policy:

- Three unexcused absences: Teachers will communicate with parents regarding student attendance by email, phone, or postcard.
- Five unexcused absences: Each school will send a letter to communicate with parents.
- Seven unexcused absences: A School Social Work referral will list specific school-based interventions (telephone calls, letters, conferences, etc.) that have occurred prior to making a referral. A Truancy Intervention Panels (TIP) will convene a panel review to explore the underlying causes of the student's absences.
- Ten or more unexcused absences: Students and/or parents will be subject to a referral(s) to juvenile court, magistrate court, and/or Department of Family and Children Services for truancy and/or educational neglect.

# Workspace

Students are expected to attend class from a dedicated workspace free of distractions. Distractions include showing background posters or items which may be offensive or draw away the attention of other students, playing video games during class time, wearing inappropriate clothing or head coverings, and/or disrupting the class with loud background noise. Student workspaces should be well lit and promote active participation. It is not appropriate for students to attend class from their bed, lying down on a couch, travelling in a car, while in a public place which may distract the learning of others, or in other situations that limit active participation.

#### Acknowledgement

The Cobb Online Learning Academy (COLA) is a unique learning environment. Student success is dependent upon many factors, including consistent student attendance and engagement, family support, and technological capabilities.

By signing this form, I acknowledge that I have read, understand, and agree to follow the policies and expectations of COLA outlined above.

# Specifically:

- I will attend class daily and on time.
- I will maintain a presence on camera by keeping my face in view and responding to teacher prompts verbally.
- I will interact with teachers and peers respectfully.
- I will monitor my own academic progress using CTLS and StudentVue.

Student Signature	Date		
Parent/Guardian Signature	Date		

# **GRADUATION REQUIREMENTS**

Areas of Study	Requirements			
English/Language Arts 4 Units	1 unit of 9th Grade Literature and Composition* 1 unit of American Literature and Composition* 2 additional units of Lit./Comp English			
Mathematics 4 Units	1 unit of Algebra I* 1 unit of Geometry * 1 unit of Algebra II 1 unit of additional math			
Science 4 Units	Biology* Physics or Physical Science * Chemistry, Earth Science, or Environmental Science One additional science course from approved Georgia DOE list of GSE/AP designated courses			
Social Studies 3 Units	World History US History* Government (.5), Economics* (.5)			
Health/Physical Education 1 Unit	Personal Fitness (.5) Health (.5) (3 units of JROTC may be used to meet this requirement)			
CTAE and/or World Language and/or Fine Arts 3 Units	3 units (any combination, although 3 CTAE units are recommended for a career pathway, and at least 2 units of the same world language are required for college admission)  *Contact college or university of interest for specific World Language requirements.			
Electives 4 Units	State requires 4 additional electives			
TOTAL REQUIRED	23 Units (minimum)			
PROMOTION and RETENTION	Grade 9 to 10 5 units to include: 1 unit of English 1 unit of Math 1 unit of Science	Grade 10 to 11 10 units to include: 2 units of English 2 units of Math 2 units of Science	Grade 11 to 12 16 units to include: 2 units of English 2 units of Math 2 units of Science	

- EOC Courses \*
- Grades earned in ALL core courses will be calculated for awarding of HOPE and Zell Miller Scholarships.
  - State and local requirements may not include all course requirements for admission to some colleges or universities; therefore, it is recommended that students contact specific institutions for their admissions requirements.
- CCSD Admin Rule IHF-R Graduation Requirements contains more detailed information and is available online.

Cobb County School District Use of Technology, policies, rules, regulations: Students must adhere to and support all policies and implementing regulations issued by the Cobb County School District, including Administrative Rule IFBG-R (Technology Acceptable Use). Students who violate District/school policies, rules, or regulations governing the use of the District's technology and network resources may have their network privileges suspended or revoked and will be subject to District Administrative Rules applying to student conduct including the provisions of the appropriate District Code of Conduct (Administrative Rule JCDA-R)

- munication that is: damaging; abusive; obscene, lewd, profane, offensive, indecent, sexually explicit, or pornographic; threatening or demeaning to another person; or contrary to the District's rules on harassment and/or bully-vide access to unauthorized areas or data.
- 2. Posting anonymously or forging electronic communica-
- 3. Using the network for financial gain, advertising or political lobbying to include student elections.
- 4. Engaging in any activity that wastes, monopolizes, or compromises the district/school's technology or other resources.
- 5. Illegal activity, including but not limited to copying or downloading copyrighted software, music or images, or violations of copyright laws.
- 6. Using the District network for downloading music or video files or any other files that are not for an educational purpose or, for students, a teacher-directed assignment. 18. Disclosing or failing to secure account password(s).
- Attempting to gain unauthorized access to District/ school technology resources whether on or off school property.
- 8. Using non-educational Internet games, whether individual or multi-user.
- 9. Participate in any online communication that is not for educational purposes or, for students, that are not specifically assigned by a teacher.
- 10. Using voiceover IP, internet telephony, video and/or audio communication devices without teacher supervision.
- 11. Using District/school technology resources to gain unauthorized access to another computer system whether on or off school property (e.g., "hacking").
- 12. Attempting to or disrupting District/school technology resources by destroying, altering, or otherwise modifying technology, including but not limited to, files, data, passwords, creating or spreading computer viruses, worms, or Trojan horses; engaging in DOS attacks; or participating in other disruptive activities.

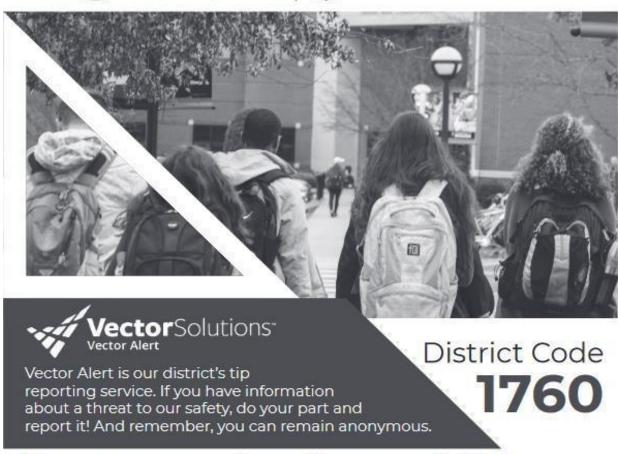

- 1. Accessing, sending, creating or posting material or com- 13. Bringing on premises any disk or storage device that contains a software application or utility that could be used to alter the configuration of the operating system or network equipment, scan or probe the network, or pro-
  - Attempting/threatening to damage, destroy, vandalize, or steal private/school property while using school technology resources.
  - 15. Bypassing or attempting to circumvent network security, virus protection, network filtering, or policies.
  - 16. Using or attempting to use the password or account of another person, utilizing a computer while logged on under another user's account, or any attempt to gain unauthorized access to

accounts on the network.

- 17. Connecting to or installing any personal technology computing device or software without prior approval of the District's Technology Services Division.
- 19. Exploring the configuration of the computer operating system or network, running programs not on the, or attempting to do anything not specifically authorized by District personnel or policies, rules or regulations.
- 20. Leaving an unsecured workstation without logging out of the network.
- 21. Exploring the configuration of the computer operating system or network, running programs not approved for use, or attempting to do anything not specifically authorized by District personnel or policies, rules or regulations. 22. Leaving an unsecured workstation without logging out
- of the network.
- 23. Executing or installing software or applications not approved by the District's Technology Services Division.
- 24. Failing to notify appropriate District personnel of potential security incidents.

For the full text of Administrative Rule IFBG-R, visit the district website at www.cobbk12.org. Locate and click on 'Policies and Rules' under the 'About CCSD' menu option. Ethical use of District technology prohibits the following activities by all users:
