

2023 FALL SEMESTER KEHELEY COMET CLUBS

We are excited to share with you Keheley Foundation Comet Clubs for Fall of 2023! These clubs are TEACHER led, 10 week, after-school enrichment programs for your students! Unlike other programs at Keheley, Comet Clubs provide the unique experience for Keheley staff to be the instructors! The school and the Keheley Foundation earn a small portion of the proceeds of the clubs, and the rest is paid directly to the Keheley Staff Instructor! It is a win for the students, for the school, and for the teacher!

We will start the club semester by being sorted into Houses with a Sorting Hat Ceremony. Each week we will start by watching behind-the-scenes-footage watching clips of the 4th movie, and having a snack. Then we will make a craft, play games, conduct experiments, or do some other Harry Potter-themed activity (think dragon scale art, a Tri-wizard cup, and a Lego maze...). We will not be reading the book this semester due to its length. We will incorporate a new kind of trivia for House Points this year! The winning team will earn House Points which we track all semester. Teams can earn House Points all semester by working together well, winning a game, and following directions. The winning House at the end of the semester will win a prize. I hope to see some new faces for Year 4!
