What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Compton Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Sanjuanita Fuentes at sanjuanita.fuentes@cobbk12.org or at (770)222-3700 to provide feedback.

Compton Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

District Goals for Student Achievement

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- By SY26, increase graduation rate from 87% to 88% as measured by GaDoe adjusted cohort graduation rate.

Compton Elementary School Goal(s) for Student Achievement

Goal #1:

K-2 Literacy Goal-The percentage of students scoring “At or Above” Grade Level for grades K-2 will increase from 47% (146 students out of 312 students) to 53% (165 students out of 312 students) as measured by the 2024-2025 Spring Amira screening results.

3-5 Literacy Goal-The percentage of 3rd through 5th grade students scoring in the “Meets” Range will increase from 26% (71 students out of 268 students) to 33% (89 students out of 268 students) as measured by the 2024-2025 EOG ELA Assessment.

Goal #2:

K-2 Math Goal-The percentage of 1st and 2nd grade students scoring “Prepared” (per their quantile) will increase from 23% (51 students out of 218 students) to 29% (63 students out of 218 students) as measured by the 2024-2025 Spring Beacon Assessment.

3-5 Math Goal-The percentage of 3rd through 5th grade students scoring in the “Meets” Range will increase from 26% (70 students out of 271 students) to 32% (86 students out of 271 students) as measured by the 2024-2025 EOG Math Assessment.

Teachers, Parents, and Students-Together for Success

Compton Teachers

The School Will:

1. Provide families access to instructional websites, learning resources and instructional videos to address student needs in reading and math.
2. Provide reading comprehension materials for families to utilize with their child at home on their individual reading levels.
3. Provide families with resources and activities to assist students with mastering grade level standards in math, reading, and writing during academic events (i.e. Math Night, Leadership Luncheon, Read Across Compton Event, Family Conferences) and individually as needed.

Compton Families

The Parent Will:

1. Visit CTLS Parent to access websites, learning resources and instructional videos to support their child(ren) at home.
2. Provide a daily reading time encouraging their child(ren) to use reading comprehension strategies to think about their reading.
3. If possible, attend academic events (i.e. Math Night, Leadership Luncheon, Read Across Compton, Family Conferences) to gain resources and activities to support their child(ren) at home with mastering grade level standards in math and reading.

Compton Students

The Student Will:

1. Access CTLS Learn and learning websites and resources to practice math and reading skills.
2. Read daily while using comprehension, word study and vocabulary strategies.
3. Use activities and resources provided to practice math strategies for problem-solving and reading comprehension strategies that increase mastering grade level standards for math and reading.

One Team, One Goal, Student Success!
