Teachers, Parents, and Students – Together for Success

Teachers. The 2nd Grade Fair Oaks Elementary School teachers will work with students and their families to develop students' love of learning. The focus of our key connections with families will be:

- ✓ Teachers will provide books in person or on CTLS for students to read independently at home.
- ✓ Teachers will provide access to the Math and ELA Cobb County School District Learning Collections on CTLS.
- ✓ Teachers will expose students to online resources they can use to practice math facts at home.

At Home. Fair Oaks Elementary School parents joined staff to develop ideas about how families can support students' academic understanding. Families may have other ideas to add to the list:

- ✓ Parents will ensure their student reads independently for 20 minutes and will ask their student questions about what they read.
- ✓ Parents will support students in completion of the Math and ELA Cobb County School District Learning Collections on CTLS.
- ✓ Parents will help students access online resources to practice math facts at home.

Students. Fair Oaks Elementary School students joined staff and parents to develop ideas about how they can succeed in school:

- ✓ Students will read at least 20 minutes a day independently.
- ✓ Students will complete the Math and ELA Cobb County School District Learning Collections on CTLS.
- ✓ Students will use online resources to practice math facts at home.

One Team, One goal, Student Success!

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Fair Oaks Elementary School worked together and shared ideas to develop this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on student's needs. Parents are welcomed to contribute comments at any time. Please contact our Parent Facilitator Cynthia Cruz Llamas at 678-594-8080 or Cynthia.CruzLlamas@cobbk12.org to provide feedback.

Family Resource Center

Our Family Resource Center offers resources for parents to help their children learn and achieve in school, including free workshops, books, computer usage, community information, resources to check-out (books, DVD's, Audio CD's, educative games for all elementary grades, maps, world sphere, and more resources), and training on family involvement in education. It is our continuing goal to establish and maintain resources that strengthen the partnership between parents and school. We have a play area for parents with small children. We use the center as a meeting place for parents.
