### What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

### Jointly Developed

The parents, students, and staff of Barber Middle School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Linette Andrea at 770-975-6764 or Linette.andrea@cobbk12.org to provide feedback.

### Barber Middle School Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

## District Goals for Student Achievement

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

### Barber Middle School Goals for Student Achievement

Goal #1: The percent of students scoring proficient and distinguished will increase from 44.85% or 369 students to 49.85% or 411 students as measured by the 24-25 ELA Milestones.

Goal #2: The percent of students scoring proficient and distinguished will increase from 30.47% or 246 students to 35.47% or 287 students as measured by the 24-25 Math Milestones.

Goal #3: The percent of students scoring proficient and distinguished will increase from 38.27% or 83 students to 43.27% or 93 students as measured by the 24-25 Science Milestones.

Goal #4: The percent of students scoring proficient and distinguished will increase from 28.63% or 62 students to 33.63% or 73 students as measured by the 24-25 Social Studies Milestones.

# Teachers, Parents, and Students-Together for Success

## Barber Middle School Teachers

**Family Assisted Study Time (FAST) Technology** – Teachers provide training on CTLS features for academic support, family-school engagement, monitor academic progress, and social media.

**Family Assisted Study Time (FAST) Reading** – Teachers provide parents reading engagement strategies to deepen comprehension, expand vocabulary through hands-on practice with websites and guidance to increase independent reading.

**Family Assisted Study Time (FAST) Math** - Teachers provide parents the foundational math skills for each grade level, hands-on practice on websites and study materials, receive free math resources to support home study.

## Barber Middle School Families

Families will receive training on the implementation of CTLS features for academic support, family-school engagement, monitor academic progress, and social media.

Parents learn how to help their child apply reading engagement strategies to deepen comprehension, expand vocabulary through hands-on practice with websites, and guidance to increase independent reading.

Parents learn about the foundational math skills for each grade level, hands-on practice on websites and study materials, receive free math resources to support home study.

## Barber Middle School Students

Students will practice at home and ensure parents are routinely checking progress through CTLS and Parent VUE.

Students will independently read and log their minutes in Beanstack, discuss what they've read, and use websites.

Students will routinely open CTLS with parents to make sure they are aware of math content.

*One Team, One Goal, Student Success!*
