

COMPTON'S Principal Advisory Council

October 20, 2023

Members Present: Beth Lair, Amber Little, Kelly Whitaker, Donna Heetland, Julie Brauninger, David Jones, DA Flynn Broady, Cindy Teate, Ladebra Milton, Theron Allen

Members Absent: Edie Perez, Skylar Scarborough

- **Introductions**

- All members introduced themselves to the group and explained their role at Compton Elementary.
- Beth Lair explained the role of the Principal Advisory Committee and thanked all of the members for supporting Compton in this role.

- **Test Your Knowledge: CCSD**

- Beth Lair had the group play a game to share their knowledge of Compton and CCSD. DA Broady had the most correct answers in the group and was given a Compton drinking tumbler as a prize for winning.

- **School Improvement Goals**

- Beth Lair shared our school wide academic goals of Compton, including our Literacy, Math and Writing goals. There was discussion among the group about Compton's new writing program we have implemented this school year. The staff shared very positive remarks about Write Score and how they are implementing it in their classrooms. Beth also discussed how teachers prioritize academic standards each day by applying the standards across all content subjects and applying them to real world situations. Our Boost block each day is time during the day where students are grouped together so that the teachers can address specific learning needs based on individual student needs on mastering the priority standards. Beth shared our school focus of Arts Integration and how we are

implementing it across all grade levels, with the goal of Arts Integration to increase student engagement.

- **Compton Cub Leadership Program (CCLP)**
- Beth also shared our Compton Cub Leadership Program (CCLP) and how we have implemented the program across all grade levels. The group shared they are impressed with the consistent language and the excited about the impact it will have on our school and community. At our next meeting Beth will share our CCLP videos with the PAC.

Beth thanked the group for their attendance at the meeting and shared how much she appreciates their support and input.

***Next Meeting Date – Friday, January 19, 2024**
