[www.fodac.org](http://www.fodac.org)

The **Georgia Department of Behavioral Health and Developmental Disabilities (DBHDD)** provides treatment and support services to people with behavioral health challenges and addictive diseases. They also assist individuals who live with developmental disabilities. The agency's mission is to provide high-quality health care opportunities for individuals with developmental disabilities or behavioral health challenges close to their homes, so they can live a life of independence and recovery and create a sustainable, self-sufficient, and resilient life in their community. This is the agency that administers the Medicaid NOW and Comp waivers.

1230 Bald Ridge Marina Road Suite 800  
Cumming, GA 30041  
Phone – 678-947-2818  
Toll Free – 1-877-217-4462  
[www.dbhdd.georgia.gov](http://www.dbhdd.georgia.gov)

The **Georgia Department of Community Health (DCH)** administers several Waiver programs designed to help people who are elderly or have disabilities and need help to live in their home or community instead of a hospital or nursing home. Each program offers several “core” services. Within DCH, Community Care Services Program (CCSP) is a Medicaid waiver program that provides a range of community-based services to assist individuals who are physically disabled. Participants must meet the same medical, functional, and financial eligibility criteria as for placement in a nursing facility under Medicaid and be approved by a physician.
