# Add a Screen Recording to an Assignment in CTLS with iPad

These directions will show students using an iPad how to attach a screen recording to an assignment in CTLS Learn.
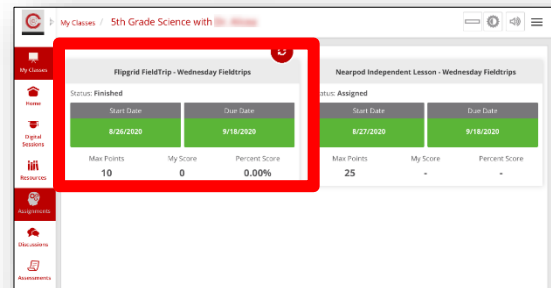

1. Create a screen recording on the iPad. For directions click [here](#).

2. Log in to **CTLS Learn** and enter your digital classroom.

3. Tap **Assignments** on the left sidebar menu.

4. Select and tap on the **Assignment** where you want to attach the screen recording.
5. Tap **Add Attachment**.
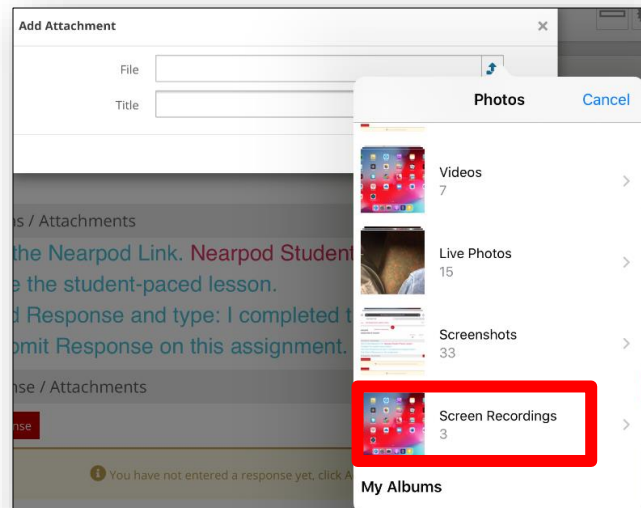

6. Tap the **upload icon**.

7. Select **Photo Library**.

8. Select **Screen Recordings**.

9. Select the **Screen Recording** you want to attach.

10. Tap **Done**.
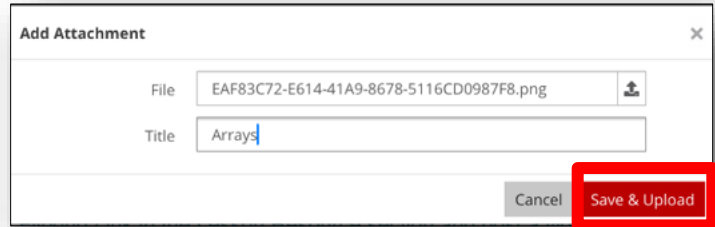

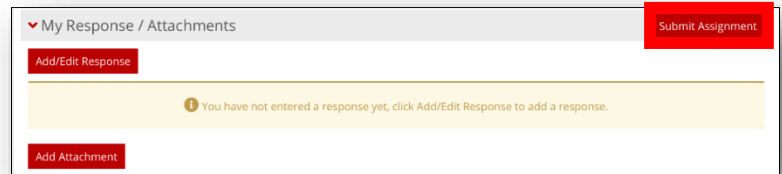

11. Tap **Save & Upload**.
    Note: If the instructor has provided a naming convention for the attachment, remember to use it. If no naming convention is given, the screencast title and your first and last name are recommended for the title field.
