

How to View My Child's Assessments

You can access your child's assessment results in CTLS Parent from a website browser or using the mobile app. There are potentially 8 assessments displayed: IOWA, CogAT, RI, MI, EOC, EOG, PSAT 8/9, PSAT/NMSQT.

Note: these features are only available to parents that are the educational rights holder (ERH).

Using a Website Browser

1. Log in to your main **CTLS Parent** account.
2. Select your student from the left sidebar, and the dashboard for this student will be displayed.
3. Scroll down to the Assessments section. Click **View All**.
Assessment results are listed chronologically, with most recent at top.

4. Click the **name of an assessment** to see the results.
5. Click **Understand <assessment name> Results** for an overview of the test and results.
