

**Dear Future KMHS Mustangs, the Class of 2027,**

Congratulations on your academic achievements this past school year, and welcome to Kennesaw Mountain High School. We are looking forward to you joining the Kennesaw Mountain family. Kennesaw Mountain High School is an incredible place to enhance your academic skills and school involvement.

To help freshman prepare for high school, we have designed several opportunities for you to visit our school and talk with teachers, administrators, and students. You are welcome to attend as many activities as you like.

The **Mustang Way** is a great way to learn about our school. Mustang Way is a half-day seminar presented by our student leaders about the expectations of the school, the teachers, and the student body. **Mustang Way** is your opportunity to talk with current students and ask questions to prepare for the best time of your life. **This program is for students only and has positively influenced previous freshmen adjusting to high school.** In addition, research has shown that students who attend Mustang Way and Freshman Orientation avoid the freshman slump.

The **Mustang Way** will be **on July 19 or 20, 2023, from 8 am until noon**. You will get to choose which day is convenient for you. To sign up, please email [manelinkexec@gmail.com](mailto:manelinkexec@gmail.com) the day you would like to participate and cc this email: [william.richardson@cobbk12.org](mailto:william.richardson@cobbk12.org).

Another great opportunity is the **Freshman Orientation** session, where you and your parents can meet the staff and get valuable information to start school. Freshmen Orientation will be **Friday, July 28th, 10 am -11:30 am**. **Freshman Orientation** is the most important meeting for our future Mustang to attend with their parents. The school store will be open, and Spirit Wear will be available for purchase (cash or check only).

Before school starts, we will provide one more day for you and your parents to visit the school and walk around to locate your classes. **On Sunday, July 30, 2023**, from 2:00 pm until 4:00 pm, you can visit the school to get those last-minute questions answered before the big day. Unfortunately, the teachers will not be available; however, Mane Link officers will be available to assist you.

**If we could give you one piece of advice**, it would be to **get involved** in as many activities as possible at this school. We have something for everyone. When you attend your Mustang Way classes, we will show you how to get connected and how to succeed at Kennesaw Mountain High.

Sincerely,

Amory Brown
