

Digital Learning Day Plan

CTLS has improved how Cobb students learn and how teachers teach. During the 2023-2024 school year, CCSD has designated asynchronous learning days to allow teachers the chance to participate in professional learning. On these days, students will learn at home through CTLS.

DIGITAL LEARNING DATES

- August 21, 2023
- October 16, 2023
- March 4, 2024

OVERVIEW

On digital learning days, you can expect the following:

- Students to work independently at home
- Teachers will have reviewed expectations with students the day before.
- Teachers will not host live, face-to-face instruction on these days. Instead, they will provide “asynchronous” instruction that may include a pre-recorded video, independent learning activity, or review lessons.
- Students will work from home on teacher-created assignments, which will be communicated and available within CTLS.

Your student will also be given a 30-minute assignment for each class based on their specific learning targets.

DAILY ASSIGNMENT EXPECTATIONS

All Grades K-5 & Special Education Units will complete one assignment in each of the following:

- Reading
- Math
- Specials (communicated by teacher)

TIPS FOR SUCCESS

- Make sure your student has access to CTLS.
- Elementary students can expect 1-2 hours of total work per day.

REQUIREMENTS

All work will be housed in CTLS and will be published for student access by 8:00 am on the Digital Learning Day.

SPECIALS SCHEDULE

Each of our special teachers (with the exception of Ms. Martin) will post activities in their digital classrooms. Students are encouraged to login to the specials of their choosing to complete optional activities.

TARGET

If your child is scheduled for Target on a day that is declared a Digital Learning Day, he or she should log into his/her Target teacher’s class in CTLS. The Target teacher will post assignments on the class board in CTLS.

CONNECTIVITY ISSUES?

- Communicate any issues or concerns with your child’s teacher.
- Request a hard copy of assignments upon return to school.
- Students will have time upon returning to school to complete assignments.
- Teachers will communicate deadlines for turning in work.
