

Group/Organization.	Faculty Sponsor	Meeting Day (s)	Location	How will membership be communicated to students?	Please provide a brief description of your organization.
<b>Academic Team</b>	Rebecca Forester, Maria Levreault, Whitney Morris	Wednesday;	Room 534 Ms. Forester's room	We will announce on morning announcements and in homerooms.	This is a quizbowl team that competes with other middle schools from around Georgia on Saturdays five to six times during the school year.
<b>Crochet Circle</b>	Kate McFadden	Tuesday & Friday	Library Learning Commons	Students will apply for Crochet Circle by filling out an application, available in the library and on CTLS.	Crochet Circle is a laid-back, social club where students learn to crochet, work on projects together, and enjoy some quiet company before starting the school day. Crocheters of all skill levels are welcome. Supplies are provided by the library and through generous donations from teachers, students, and community members.
<b>Durham Dynamx</b>	Susan Campbell	Thursday	Theater	Through Chorus	Student must be enrolled in chorus and membership will be contingent on an audition
<b>Durham Fiddlers and More</b>	Susan Goudreau, Matt Segars	Monday/Wednesday/ Thursday	Orchestra Room	Students will receive a flyer about the ensemble and can easily sign up using a form posted in CTLS Class Board. We will also communicate with parents through CTLS Parent, providing them with links to sign up their child for Durham Fiddlers and More.	Students will explore and enjoy playing a wide range of musical styles, including Fiddle Music, Rock Music, and more!
<b>FCA</b>	Jordan Davis	Tuesday & Friday	Theater	Through morning announcements	Leadership team meets on Tuesday mornings (must apply for leadership), Friday mornings 8:15-8:50 are for anyone in the school. We have games, worship, fellowship, and normally a speaker that will come in on Fridays to lead the group.

<b>Friends Club</b>	Judith Intagliata, Stefanie Stevens, Maria Adley, Suzanne Leroux	Thursday	Room 307 Ms. Intagliata's Room	Open House, Main Hall Bulletin Board	Friends Club is designed to provide an inclusive environment for building friendships and social skills outside of the scheduled school day between students with various disabilities and general education peers. The club is opened to everyone and will promote connection and socialization through icebreakers, group games, board games, crafts, cooking, and snacks. We will meet monthly on the second Thursday of each month that school is in session beginning in September.
<b>GROW CLUB</b>	Michelle Graham Kate McFadden	Thursday	Room 434 Ms. Graham's Room	Announcement and posters	Grow club is a multifaceted club. The goal is to expose students to the art of growing things indoors and outdoors and to enhance the school grounds. We will learn to maintain the gardens and florals around the school. Students will be instructed on growing practices like propagation, seed germination, weeding, landscaping. Students will have the opportunity to harvest and eat what is grown in the school garden.
<b>Intramurals</b>	Jordan Davis and Jill Lambertson	Monday - Thursday	Gym	Announcement and posters	Cardiovascular activity in the form of large group games
<b>Jr. Beta Club</b>	Julayma Kines and April Willis	Wednesday	Room 531 Mrs. Kines' Classroom	A qualification letter is sent in the spring and interested students who apply to join and become members are inducted.	The Junior Beta Club is a division of the National Beta Club, an organization that recognizes and promotes academic achievement, character, leadership, and service among students in grades 6-8. It's a stepping stone for students aiming to develop leadership skills and contribute to their communities through service projects.

<b>Library Ambassadors</b>	Erin Baker; Kate McFadden	Monday - Friday	Library Learning Commons	The library's CTLS tile, signage throughout the building, the morning news, communication during library orientation.	Student library ambassadors, with direction from the library staff, assist in managing the Library Learning Commons in the mornings before school, provide student help and support, and assist with material checkout and library promotions.
<b>Lunch Bunch Book Club</b>	Erin Baker, Patti Slade, Kaylee Pettit, Kate McFadden	Wednesday	Library Learning Commons	Library CTLS tile, posters in the hallways, signage inside the library, library orientation, school news.	Lunch Bunch Book Club is an enrichment learning experience built upon the concepts of student “choice, voice, and volume” and “books as mirrors, windows, and sliding glass doors.” Lunch Bunch Book Club supports authentic, meaningful learning experiences celebrating the joy of reading and connecting readers with one another. Each grade-level Lunch Bunch group meets in the library on Wednesdays for lunch and a discussion of the current student-selected book.
<b>Math Team</b>	Whitney Morris, Rebecca Forester, and Sandra Burnette	Tuesday	6th Grade Multi-Use Room	Students will be invited to join. A letter will be given to them that includes all pertinent information.	Math team practices will be held twice a month. Students will have the opportunity to expand their math skills as well as compete against other students at various math competitions.
<b>Science Olympiad</b>	Stacey Holland, Lisa Edwards, and Kerrie Poirot	Wednesday & Friday	6th Grade Multi-Use Room	Membership Communication: Membership in the Science Olympiad Team will be determined through an application process. Students must submit a completed application by Friday, September 5th to be considered. Please see Mrs. Holland for applications.	Science Olympiad is a nationally recognized STEM competition where students work together on hands-on experiments, research, and problem-solving in events spanning earth science, physics, engineering, and biology. Last year was our first year, and we proudly won the regional competition and advanced to the Georgia State Competition. It's a great way to build skills, compete, and meet new friends who share a love of science. A club fee (TBD) will help cover competition entry costs and practice supplies, though we are actively seeking grants and community support to keep costs low for all students interested.

<b>Storyteller's Guild</b>	Kate McFadden	Tuesday	Lab 214	Students will complete an application that will be available in the library and CTLS. All students who submit an application will receive an invitation in homeroom to come to the first meeting on September 2.	The Storyteller's Guild is a creative space for students who love storytelling in any form - writing, drawing, or dreaming up ideas. Members will meet after school to work on short stories, develop characters, and collaborate on projects with a goal of producing a student-created collection by the end of the year.
<b>Technology Student Association (TSA)</b>	Dr. Grant and Dr. Barber	Monday & Thursday	Room 338 Grant's Room	Dr. Durham News, announcements, Flyers at Meet & Greet.	The Technology Student Association enhances personal development, leadership, and career opportunities in STE(A)M. We focus on accelerating student achievement by providing engaging opportunities to develop STE(A)M skills for future leadership in a technical world. As a Career and Technical Student Organization (CTSO), TSA provides intracurricular competitions and programs that inspire and challenge F5students. A club fee (TBD) will be required to participate.
<b>Jazz Band</b>	Selena Sanchez	Tuesday	Band Room/811	During band class and band CTLS posts.	Jazz Band is a performance group dedicated to jazz music. Students will experience various styles of jazz. This club is open to 7th and 8th grade students!
<b>Percussion Ensemble</b>	Selena Sanchez	Wednesday	Band Room/811	During band class and band CTLS posts.	Percussion Ensemble is a performance group dedicated to percussion music. Students will experience various percussion instruments and styles of music. This club is open to 7th and 8th grade students!
