Iowa Test Brief Details

In September 2019, Cobb County School District students in grades 3, 5, and 7 took the Iowa Assessments. The Iowa Assessments include tests in reading, writing, math, science, and social studies. In this test brief, scores for each Cobb school are for each subject are reported with two measures: (1) national percentile rank and (2) grade equivalent.

National Percentile Rank

National percentile rank (NPR) represents how a student's performance compares to students who took the test across the United States. A NPR of 60 means that the student scored better than 60% of the students who took the test nationally during a particular year called the norm year. The norm year for the scores in this brief was 2017. For this reason, the scores in this document should not be compared to Iowa Assessments before the 2018/19 school year. Early scores were based on the 2011 norm year.

For all tests and combined test scores, the national average NPR for the norm year is 50. The school values in this document represent the performance of the average student in each school and grade.

Grade Equivalent

Grade equivalent (GE) represents how a student's performance compares to how far along they are in school. GE is a decimal number. The digits before the decimal represent the grade level, while the digits after the decimal represent the month in the school year. Thus, a GE of 3.6 means that on the grade 3 test the student performed equivalent to what is expected for a student in the sixth month of the third grade. The test was taken during the second month of school.

Test Scores

For the Iowa Assessments, ten individual test scores and 7 combined scores are reported for each student. The following table shows the relationship between the individual test scores and the combined scores. For example, the *Math Total* combined score is calculated using 67% of the math test and 33% of the computation test. The complete composite combined score is a combination of all of the tests.

Combined Scores as a Percentage of Individual Test Scores

Individual Tests	Reading Total	Conventions of Writing	Language Total	ELA Total	Math Total	Core Composite	Complete Composite
Reading	50%			33%		17%	11%
Vocabulary	50%			17%		8%	6%
Spelling		33%	25%	6%		3%	2%
Capitalization		33%	25%	6%		3%	2%
Punctuation		33%	25%	6%		3%	2%
Written Expression			25%	33%		17%	11%
Math					67%	33%	22%
Computation					33%	17%	11%
Social Studies							17%
Science							17%

1 Cobb Summary

Subject	Grade	National Percentile Rank (NPR)		Grade Equivalent (GE)
