# Lassiter High School

## End of Fall Semester Information

**November 6, 2026**

**Introduction**

Friday, October 30 marked the conclusion of the second six weeks of the school year. As we approach the final weeks of the semester, we would like to take a moment to recognize the accomplishments of our students and express our appreciation for the continued support you provide from home. The partnership between families and the school is essential to student success, and we are grateful for the meaningful role you play in your child's education. Our students have demonstrated Lassiter's core values and school spirit through their commitment to academics, the arts, athletics, and extracurricular activities this semester.

and engage them in conversations about their goals for the remainder of the semester. Should you have any questions or need additional resources, please reach out to their teachers or our school counseling team.

As we look ahead, we encourage you to review your child's progress in all courses

**Congratulations Dr. Huffman**

As Dr. Huffman begins a new opportunity at the district office, we want to take a

High School over the past six years. Her leadership and support have contributed greatly to the continued success of Lassiter, and we are grateful for the time and energy she invested in our school.

remember to thank her for her dedicated service as an Assistant Principal at Lassiter

While we will certainly miss having Dr. Huffman at Lassiter, we are excited for her as she begins this next chapter. Her new role will provide an opportunity for her to positively impact students, staff, and schools across Cobb County. Please join us in thanking Dr. Huffman for her service to Lassiter and wishing her continued success in her new position. As we transition responsibilities, families who would normally contact Dr. Huffman are encouraged to reach out to another member of the Lassiter administrative team with any questions or needs. We are committed to ensuring that students and families continue to receive the same level of support throughout this transition.

## PSAT and College Board

Lassiter students are now able to access **PSAT scores** in their College Board accounts. A student's PSAT score can be useful in many ways. It gives valuable practice for the SAT and insight into how to prepare, and it opens opportunities for scholarships and recognition. PSAT scores serve as the initial screen for the National Merit Program and are automatically sent to National Merit Scholarship Corporation.

Students who take the PSAT see grade-level benchmarks on their score reports. These benchmarks represent the section scores on each assessment that students should meet or exceed to be considered on track for college and career readiness. If your student is meeting the grade-level benchmark for a section, please continue to encourage them to take rigorous courses in that area while at Lassiter.

As a school, we saw our average SAT score remain steady at **1206** in 2025 to **1204** in 2026! Your student may want more information on how to improve their PSAT/SAT score. They can use their PSAT score report to receive tailored resources from Khan Academy and develop a study plan. **Khan Academy's** digital SAT course content, developed in partnership with College Board, includes videos, articles, and worked examples designed to help students understand and experience the SAT Suite of Assessments. While Khan Academy's Digital SAT Prep is beneficial for skill practice, **College Board's Bluebook app** is useful for full-length practice tests.

We highly encourage all Lassiter students to download the **BigFuture Mobile App**. Students who provided their mobile number on test day can download the app and sign in to access scores and start exploring customized career possibilities, key information about scholarships and financial aid, and guidance to help plan for college.

## Veterans Day

We look forward to bringing together Lassiter students, staff, families, and community members to recognize the service and sacrifice of the individuals who have served in the United States Armed Forces. If you are a veteran, or know a veteran connected to the Lassiter community, we would be honored to have you join us for this special celebration **on Wednesday, November 11** from **7:30am – 8:30am in the Lassiter Theater**.

**Registration is still open! Trojan's Salute RSVP – Fill out form**

Additional information regarding arrival, parking, reception activities, and the Veterans Day program will be shared with registered guests prior to the event. Thank you to all who have served. We look forward to celebrating you with a Trojan's Salute!

## S2S/Spring Scheduling Information

In preparation for the upcoming spring semester, we want to provide you with important information about the scheduling process at Lassiter. Semester 2 Scheduling (S2S) Day will take place during homeroom on Thursday, November 12. S2S Day is an important part of the spring semester scheduling process and allows students to view and verify their spring semester schedule. Their spring semester courses will be based on the courses they took in the fall and the requirements for high school graduation. This will be the final opportunity for students to verify the accuracy of their schedule. We will use the information from S2S Day to adjust the master schedule and balance classes prior to the first day of classes. Because of this, we are unable to accommodate schedule changes once we return from the semester break.

We recommend that you review your student's schedule every semester to ensure their course selections align with their academic and career aspirations. Please reach out to your school counselor if you have any questions regarding course options, credit requirements, or post-secondary planning.

## Behavior Expectation Reminders

At Lassiter, we strive to maintain a respectful and safe learning environment for all students. Our school values guide our approach to behavior and set the standards we expect students to uphold in the classroom, on our campus, and at school-sponsored events. We encourage you to ask your student about the implementation of our Expect Respect program and take some time to review the **Lassiter Student Handbook**, which serves as a source of information for students and parents and includes Cobb County's Student Code of Conduct. Your support is essential in helping us foster a community where every student can thrive.

## Fall Semester Final Exam Schedule

Students will be given comprehensive final examinations covering the curriculum of each course in which they are enrolled. These exams will be given according to the schedule below. **Cobb County School District policy does not allow any exams to be given early.** Please plan accordingly.

**Note**** Lunch on Wednesday, December 16 is served from 11:40 – 12:22 only. During your actual lunch period report to Study Hall in Café. Buses will run at 3:30pm **

During the days of final exams, each student should make every effort to be fully prepared. All classes will meet on Tuesday, December 16. **Buses will run at 3:30 pm on Wednesday, December 16 but *early release will be authorized for all students* unless the school receives the signed parent form by December 11.** Students will be dismissed from school at 11:30 am on Thursday, December 17 and Friday, December 18. Grab-and-go lunch will be available on these days and buses will run at 11:35 am.

## Parking Information

The online parking application opened for Seniors and Juniors on November 2nd. Seniors should drop off their printed form and payment to the attendance by December 4th. More information can be found on the **Lassiter Parking Page**. The junior lottery will take place December 8th. Once selected, Juniors will receive an email to return their printed form and payment to the attendance office for processing. Please do not turn in any paperwork until you receive your selection email. **Please remind your students not to park in safety zones or along curbs as it impedes the flow of traffic for emergency vehicles.**

## Closing

As we enter the final weeks of the semester, we encourage our students to remain focused, finish strong, and take advantage of the many supports available to them. This is an important time to reflect on progress, address any areas of concern, and continue building the habits that will lead to success through final exams and into the spring semester.

Thank you for your continued partnership and support of Lassiter High School. We are grateful for the commitment of our students, families, teachers, and staff and for the many ways our community continues to support one another!
