What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Bryant Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Sarah Wise at 770-819-2402 or sarah.wise@cobbk12.org to provide feedback.

Bryant Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

Volunteer Opportunities:

- Classroom Readers (In person or virtual)
- Media Center
- Title I Planning Committee

Partnership Meetings:

Annual Title I Parent Informational Meeting
Open House
Meet and greet
Title I Parent Input Meetings
Parent Teacher Conference Week

Family Engagement Opportunities:

Literacy Nights
Strategy Training to Assist Students at Home
Parent Resource Room

Bryant Elementary Activities to Build Communication

Some communications may be provided virtually

- CTLS Parent
- ParentVUE
- Weekly Folders
- Student Agendas
- School Website
- Monthly Newsletters
- Email

- Parent/Teacher Conferences
- Facebook & Twitter
- Flyers
- District Website
- School Marquee

If you would like more information, please contact:

District Goals for Student Achievement

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Bryant Elementary's Goal(s) for Student Achievement

K Literacy Goal

The students scoring demonstrating or exceeding will increase by 10 percentage points from the August 2026 administration to the May 2027 administration of GKIDS (ELA section)

1st-2nd Literacy Goal

The students scoring near target or prepared will increase from an average 10 percentage points (August 2025 Beacon ELA to May 2026) to 20 percentage points from August 2026 BEACON ELA assessment to May 2027 BEACON ELA assessment.

K Math Goal

The students scoring Demonstrating or Exceeding will increase by 10 percentage points from August 2026 GKIDS (math section) to May 2027 GKIDS (math section).

1st-2nd Math Goal

The students scoring near target or prepared will increase from an average 14 percentage points (August 2025 Beacon Math to May 2026) to 30 percentage points from August 2026 BEACON math assessment to May 2027 BEACON math assessment.

PBIS Goal

By the end of the 2026-2027 school year, the out of school suspension will decrease from 112 to 90 as measured by schoolwide PBIS system data reports.

Teachers, Parents, and Students-Together for Success

Bryant Teachers Will:

The Bryant Kindergarten – Second Grade Teachers will work with scholars and their families to develop students' academic achievement. The focus of our key connections with families will be:

-Provide opportunities for scholars to practice retelling in daily guided reading groups, and send home leveled reading books for practice at home.

-Give scholars multiple opportunities to practice letters and sounds daily in class with hands on and online activities through the Early Literacy Framework.

-Provide scholars with a variety of objects to count and match to numbers, conduct guided math groups daily, and set up differentiated math stations to extend or remediate math standards.

-Maximize instructional time throughout each day.

Bryant Families Will:

Parents and staff will work together to develop ideas about how families can support their scholar's reading, math and writing instruction by:

-Read to and with scholar daily and have scholar retell story.

-Practice letters and sounds with scholar daily.

-Have scholar practice counting objects and recognize numbers around the house and in the community.

-Ensure scholar arrives to school daily, on time, and is ready to learn.

Bryant Students Will:

Parents, Staff and Scholars will develop ideas about how they can succeed in school and achieve in reading, writing, and math.

-Read nightly with a parent, practice retelling in literacy stations and be accountable for completing assignments in scholar led literacy stations.

-Participate in letter/sound literacy stations and engage in guided group activities.

-Complete math assignments during guided groups with teacher and in independent math stations.

-Come to school prepared and ready to learn each day.
