

Fall 2024

COLA COUNSELING NEWSLETTER

WELCOME TO THE 24-25 SCHOOL YEAR!

We are so excited to welcome you back for the 2024-25 school year! With the Fall Semester well underway, you will have several opportunities to see your COLA Counselors both virtually and face-to-face coming up. The counselors will be visiting all advisements starting the last week of August to give grade level specific information and to introduce ourselves. We will also be starting classroom lessons and conducting Junior Advisement. There are also multiple opportunities for students to attend in person college visits as well. We look forward to seeing you soon!

HOW TO SEE YOUR COUNSELOR

- If you are in class and it is an emergency, let your teacher know privately in the chat that you need to speak with someone immediately. They will contact your counselor, and the counselor will give your teacher a Zoom link to chat.
- If it is not an emergency, you can ask your teacher if you can speak with your counselor when there is a good moment in class. They will contact your counselor, and the counselor will give your teacher a Zoom link to chat when they are available.
- Email your counselor directly to set up an appointment.

COUNSELOR INFORMATION

- Greg Moncrief: school counselor for students last names A-L, Department Chair,
 - Gregory.Moncrief@cobbk12.org
