

[FAQ for Elective Registration 2022-2023](#)

How many electives do I select for the school year? Student must select 8 (eight) courses ranking them from 1 to 8. Based on availability of seats, you are likely to get your 8th choice so choose your electives wisely!

What if I want to change my electives after I have submitted my choices? Students are expected to honor their course requests. There are specific requirements to be met for a class change to be honored. Course request preview will start on March 28, 2022 and run through April 01, 2022. If you are wanting to change one of your submitted courses, you will need to complete the online course change form.

ALL core and elective change requests are due by April 01, 2022 at 5:00 pm.

What if I get an elective I didn't register? Once student schedules are completed at the end of May, there is a chance you are given an elective that wasn't one of your top 8 choices. In that instance, the scheduling team had to make a decision to complete your schedule due to scheduling conflicts.

What if I am signing up for a yearlong course like Band, Orchestra, Chorus, or Yearbook? If selected into the audition or application-based program this course will count for two electives for the school year. If you are schedule for a yearlong course, you are expected to remain in that class for the entire school year.

If I am a current 9th or 10th grade (not current 8th grade) Band, Orchestra, or Chorus student will I be pre-registered for that course? YES, if you currently have Band, Orchestra, or Chorus (Current 9th and 10th graders) you will be prescheduled into your respected program. If you do not wish to continue in the program you will need to submit an elective change request to have the course removed from your elective choices. Remember all elective changes are due by April 01, 2022 at 5:00 pm.

How do I take the classes listed as Application only? (AVID, Minimum Day, yearbook, WBL, etc.) You will find links to all application courses on the scheduling web site (located on the CHS Web Site). Acceptance into the class will replace other elective choices but does not guarantee placement due to scheduling conflicts.

All applications are due by February 26, 2022.

Where can I find the Course Catalog for the 2022-2023 school year? The Course Catalog can be found on the Campbell High School web site. Click on the Curricular>Course Offerings and Registration link>2022-2023 CHS Course Catalog link.

Are there grade level restrictions? Yes, there are some electives specifically designated for upperclassmen. Seniors cannot choose introductory classes to ensure graduation requirements are being met.

What is a pre-requisite? A course that is required to be passed before a student can progress to a higher-level course. Classes which have a pre-requisite are marked with *. Students are removed from courses they do not meet the pre-requisite(s) for and will not have the opportunity to select an alternative elective course in its place.

How many classes do I need to pass to complete a pathway requirement? Three (3) courses must be completed in the same pathway. An "end of pathway assessment" may also be required. Please make sure to refer to the course catalog so you understand what the class is about before you request it.

How do I learn more about offered electives? Please visit the Campbell website to access the 2022-2023 Course Catalog. If you have questions, you can also speak with a counselor, department chair, classroom teacher, or Mr. Autry (Nathan.autry@cobbk12.org).
