School Safety Protocol

● REUNIFICATION CENTERS

In the case of an evacuation, teachers have sites where they know to meet for reunification.

● DRILLS

There are routine drills in which the entire school practices procedures in the case of any emergency.

● ALERTS

Teachers have safeguards and procedures in place to quickly notify the entire school of any emergency.

● VIGILANCE

Staff, teachers, and students are continuously cautious in ensuring the security of the building.

SCHOOL CLUBS/ACTIVITIES

A VARIETY OF CLUBS MEET WEEKLY AFTERSCHOOL.
IN ORDER TO PARTICIPATE, PARENTS MUST SIGN UP
THEIR STUDENTS.

Health & Wellness Plan/Protocol

On-site Nurse

Hollydale has a certified nurse on-site daily.

Trained Staff Members

A select number of staff are trained to help in the event of a major event.

AED

There are AED devices located around the school for quick access in the case of an emergency.

Swift Notification

Teachers are equipped with a device to quickly notify administration in the case of a health emergency.

COLLABORATION ACTIVITY

In the last meeting, it was noted that parent communication needs to increase school-wide. What are some strategies that could be implemented to improve this area?

Future Meetings

MONTH

April 15th @8am

AGENDA

need four topics to place on
the agenda
