(fall)/AP Art & Design
(spring)

*Students in either pathway can take Applied Design/AP Art & Design given your teacher's recommendation. Applied Design (fall) and AP Art & Design (spring) are sequential courses. Students should register for Applied Design in the fall and AP Art & Design in the spring. Applied Design is an advanced portfolio development course. In AP Art & Design students will create portfolios that include photography and digital art. Both courses are for Juniors and/or Seniors only.
