

### Fine Arts Performance Ideas

1. Use the fine arts to raise local awareness of current issues.
2. Use the fine arts to convey or persuade.
3. Tell a story through an original dance sequence.
4. Research logo and flag design. Develop a logo and flag for your cooperative team. Present your designs to the class and justify rationale.
5. Investigate an art object or a piece of architecture and explain how the artist / architect used design elements or principles to express an idea or feeling.
6. Design a stature, monument, or piece of art for a specific public space and a specific purpose. Explain your choice of media, imagery, purpose, and location.
7. Create a mural that shows ways people demonstrate friendship. Write a narrative that describes what has been depicted in the mural.
