66		Per ST&C 7.8 Vendors are asked to provide a fee structure for additional, related items that may be purchased during the award period. Vendors are to identify the pricing source and the associated fee structure in the space provided on the attached Bid Form. Some example responses are: X% discount below MSRP; X% discount below published catalog pricing; Cost plus X% mark-up. Upon request, awarded vendor must be able to provide documentation verifying appropriate discounts are granted throughout the contract. CCSD reserves the right to conduct periodic random audits of fair market value, etc. to ensure price granted is reasonable and accurate.

66		Per S1&C 7.8 Vendors are asked to provide a fee structure for additional, related items that may be purchased during the award period. Vendors are to identify the pricing source and the associated fee structure in the space provided on the attached Bid Form. Some example responses are: X% discount below MSRP; X% discount below published catalog pricing; Cost plus X% mark-up. Upon request, awarded vendor must be able to provide documentation verifying appropriate discounts are granted throughout the contract. CCSD reserves the right to conduct periodic random audits of fair market value, etc. to ensure price granted is reasonable and accurate.																					
		TOTAL									\$7,744.00								\$49,697.5000				None
		AWARDED TOTAL																	\$7,600.0000				
		Notes: * Did not bid as spec'd ** No Sample
