Open House is next Thursday, September 17th, and we have made dinner easy! Zaxby's Sandy Plains is hosting a #ChooseDaniell Spirit Night! Head to Zaxby's and let them know you are with Daniell, and a portion of the proceeds will come back to the school!

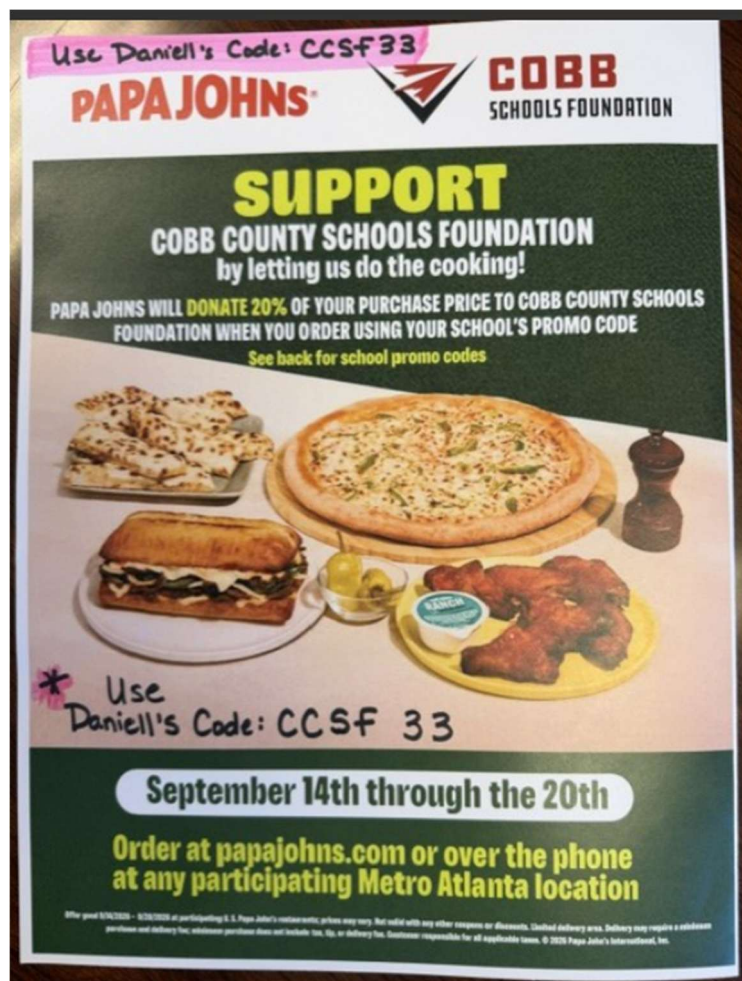

Please join us at 6 pm in the Daniell theater. After a brief PTSA meeting, you will have the opportunity to drop into your child's classes until 7 pm. We will not be running a schedule; it is a drop-in night only. This should accommodate the parents who have students in different grade levels. Open House night is to meet the teacher, see the room, and introduce yourself. Be sure to have your child's schedule pulled up on PVUE so you know which rooms to visit. Many parents ask why we do this so late. The reasoning is that we had Meet and Greet before school began, but now your student has grades and you may have questions about the way the classes run, or maybe you want to meet your child's favorite teacher that they come home talking about every day! No matter the reason, we hope to see you on the 17th.

Note that Open House is not a time to have an individual parent/teacher conference. If you would like to have a conference with individual teachers, please email them to schedule a time. If you would like to meet with all your child's teachers, please email our counselors to schedule this:

Cayce Pope is the 6th grade counselor and serves 7th graders with last names A-K. Cayce.pope@cobbk12.org

The Cognia Student, Parent, and Staff Surveys: The Cognia Student, Parent, and Staff Surveys are designed to collect data on student academic learning and wellness during the current school year. Participation in each survey is anonymous and voluntary, and participation is highly encouraged. The survey results will provide the Cognia Accrediting Agency, Cobb County School District, and local schools with data regarding student learning environment, staff input, and parent feedback to support continuous learning.

Please help us reach our participation goal by taking the survey by **Friday, September 18**. Thank you for your participation! Copy and paste the link below:

How to Stay Organized!

- Use a planner to write down important dates such as due dates for assignments, homework, and tests.
- Keep all class assignments stored into different folders.
- Use reminders and alarms for upcoming deadlines and to manage time effectively.
- Declutter binder and book bag weekly!
- Create consistent routines and set weekly goals/priorities.

Does your student need individualized help with organization?

Reach out to your child's counselor via CTLS or e-mail!
