Principal's Message|

I'm grateful for another great week with your students as they continue to SOAR toward success. As we are moving right along during this second quarter, don't forget to review your child's grades and progress through CTLS Parent. Our teachers are always available to discuss any questions or concerns you may have regarding their performance. Together, we can ensure your child's academic success.

Speaking of which, we want to remind you of our next Principal Coffee and Chat on November 14th. During this session, I will discuss our academic programming and offer a quick look at the CCSD Magnet Programs. You can find more information about this event and more on our social media platforms. Be sure to follow us on Instagram and Twitter [@SimpsonMSCobb](#) to stay updated and join us in celebrating our school successes.

Family and Student Information in ParentVUE

Enrolling Adults of Cobb students are able to log in to their ParentVUE account to update their family information. The enrolling adult will be able to digitally update their email, phone numbers, address, and contact information for their student via an electronic device. This platform was created to eliminate the need for the enrolling adult to come to the school to complete this information.

Please take the time to log into your account and verify that all information, addresses, phone numbers and emergency contacts are updated for your children.

Click on the Cobb Student Information Flyer attachment for information and instructions.
