SIMPSON MIDDLE SCHOOL NEWSLETTER

Principal's Message

They say time flies when you are having fun – it's amazing to think that we only have only a little more than a month of school left. In the final stretch of this 4th quarter, it is critically important that students finish with a bang! Remind your students to complete their work as assigned and to study at least a little bit every day. With state testing beginning next week, we want to avoid any undue anxiety or stress. This is also the season for final performances and celebrations, so please look over the newsletter carefully and take note of the important upcoming dates.
