# **SIMPSON MIDDLE SCHOOL NEWSLETTER**

## **Principal's Message**

We have started our first wave of 8th grade testing and as you might imagine, testing impacts the entire school. In order to make sure we have enough time for each assessment, we often have to adjust the schedule each day. These changes can be stressful to students and adults alike. So, consider giving everyone just a little extra love for the next few weeks! Ask your children how they are doing and don't forget to check on the adults too! We are proud of everyone and are always grateful for your support and encouragement.

Dr. LaEla Mitchell  
Principal, Simpson Middle School
