

Junior Future Forward Session

What do I do Next?

1. STAY ON TRACK

Remember: Your ICCP is a planning tool - it is not course registration! Core classes are determined by your teachers and electives are selected in February with forms due in March for December Graduate, Work Based Learning (WBL), & Minimum Day (Spring semester only).

- Know what credits/classes you still need to graduate (review ICCP & unofficial transcript)
- Use your ICCP to help plan senior-year courses and dual enrollment participation
- Keep grades and attendance strong

2. EXPLORE WHAT COMES NEXT

You don't have to have it all figured out yet! Use **SchoolLinks** to explore careers, education and training options that match your interests.
