What is a School-Parent

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Birney Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Lina Capellan-Genao at 678.842.6824 or lina.capellan-genao@cobbk12.org to provide feedback.

District Goals for Student Achievement

- By SY29, increase by 2 percentage points the number of students performing at the proficient and distinguished levels, as evidenced by state assessments.
- By SY29, increase graduation rate from 89% to 91% as measured by GaDOE adjusted cohort graduation rate

Birney Elementary Goal(s) for Student Achievement

Goal #1:

During the 2026-2027 school year, 40% (80 out of 200) of students in 1st and 2nd grades will score prepared in the Foundations domain of the Spring ELA Beacon Assessment.

Goal #2:

During the 2026-2027 school year, 20% (58 out of 291) of students in grades K- 2 will score prepared on the Spring Math Beacon assessment.

Goal #3:

During the 2026-2027 school year, the number of discipline infractions will decrease by 15% (261 to 222).

Teachers, Parents, and Students-Together for Success

Birney Elementary Teachers

Teachers will provide families with math strategies, hands-on activities and manipulatives to practice math skills at home.

Teachers will provide families with decodable books, leveled readers and reading comprehension activities to support daily reading practice at home.

Instructional videos will be made available on our website to support parents implementing and using classroom strategies at home

Teachers will use CTLS Parent as a means of school-home communication and support.

Birney Elementary Families

Families will use math strategies, hands-on activities and manipulatives with their students at home at least twice per week.

Families will encourage their child to read decodable books, leveled readers and practice reading comprehension activities at least 20 minutes each day.

Families will have access to instructional videos that directly align with classroom strategies in order to support their students at home.

Families will regularly check CTLS Parent for school-home communication.

Birney Elementary Students

Students will practice math strategies using hands-on activities and manipulatives provided at least twice per week.

Students will use decodable books, leveled readers and comprehension activities to practice reading at home each day.

Students will use CTLS to access resources at home.
