## What is a School-Parent Compact?

*A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.*

## Jointly Developed

The parents, students, and staff of LaBelle Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Beatriz Alvarado or Sarah Lightsey-McDermott at 678-842-6955 or via email at [Beatriz.alvarado@cobbk12.org](mailto:Beatriz.alvarado@cobbk12.org) and [Sarah.Lightsey-McDermott@cobbk12.org](mailto:Sarah.Lightsey-McDermott@cobbk12.org) to provide feedback.

## LaBelle Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

## District Goals for Student Achievement

- By SY26, increase growth by two(2) percentage points, for students scoring at the proficient or distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88%, as measured by GaDOE adjusted cohort graduation rate.

---

### LaBelle Elementary's Goal(s) for Student Achievement

By May 2025, the percentage of 3<sup>rd</sup> grade students scoring proficient or advanced on the ELA Milestones will increase from 16% (10 students) to 33% (20 students). In 4<sup>th</sup> grade, the percentage scoring proficient or advanced on ELA section will increase from 23% (14 students) to 39% (24 students), and from 18% (10 students) to 29% (16 students) among 5<sup>th</sup> grade students.

On the Math Milestones, the percentage of 3<sup>rd</sup> grade students scoring proficient or advanced will increase from 16% (10 students) to 33% (20 students). In 4<sup>th</sup> grade, the percentage scoring proficient or advanced will increase from 39% (23 students) to 51% (31 students), and from 18% (10 students) to 36% (20 students) among 5<sup>th</sup> graders.

# Teachers, Parents, and Students-Together for Success

## LaBelle Teachers Will:

Introduce, instruct, and assign online resources according to student grade level.

Provide reading materials and a reading log suited to student reading level.

Provide parents with strategies and materials to assist their child at home with math fact fluency & reading comprehension.

All teachers will send parents weekly updates on learning topics and special events.

## LaBelle Families Will:

Assist and support my child with the online resources provided by teachers.

Use the materials sent home to ensure my child reads & records what they read every night, or help my child with reading.

Regularly check CTLS platform for updates to support my child's academic progress at home.

Dedicate 5-10 minutes daily to assist my child with math fact fluency and/or math vocabulary according to their grade level.

## LaBelle Students Will:

Complete online assignments and assessments according to my grade level.

Read daily and keep a log of what I am reading at home. When required, include a short written response of what I have read.

In third grade, use the materials provided to practice multiplication and division facts for numbers 0-9.

In 4<sup>th</sup> grade, use approved websites to practice reading and math by choosing activities that are just right for me.

In 5<sup>th</sup> grade, talk with my parent about any new strategies I am learning in reading and math.

Encourage my parents to check CTLS for announcements and messages from my teacher.

---
