What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Argyle Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Zoila Hill at 678.842.6800 or Zoila.hill@cobbk12.org to provide feedback.

Argyle Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

Volunteer Opportunities:

- School events
- Media Center

District Goals for Student Achievement

2025-2026 CCSD District Goals

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- by SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Argyle Elementary Goal(s) for Student Achievement

3-5 Literacy Goal: The percent of 3rd-5th grade students scoring Proficient or higher will increase from 24% (34 students) to 31% (43 students) as measured by the 2025-2026 EOG ELA Assessment.

3-5 Math Goal: The percent of students scoring within the "Proficient and Distinguished" range will increase from 33% (47 students) to 40% (57 students) as measured by the 2025-2026 EOG Math Assessment.

Focus: Numerical Reasoning

Teachers, Parents, and Students-Together for Success

Argyle Elementary Teachers

Teachers will send home "Weekly Strategy Spotlights" with reading and math tips and mini assignments families can complete with their child.

Teachers will share strategies or videos on CTLS to help families support key academic skills and test-taking strategies at home.

Teachers will offer "Family Data Chats" (virtual or in-person) to review student progress toward EOG goals, and share specific ways families can help at home.

Argyle Elementary Families

Families will use the "Strategy Spotlight" to work on reading and math practice with their child.

Families will try at least one of the teacher-shared strategies or tips from CTLS to support their child's learning.

Families will attend quarterly "Data Chats" to review their child's academic progress and how to help with EOG preparation.

Argyle Elementary Students

Students will complete the weekly Strategy Spotlight activity at home with a family member.

Students will apply strategies practiced at home during classwork and assessments.

Students will talk about their learning goals during quarterly Data Chats and reflect on their progress with their family and teacher.

One Team, One Goal, Student Success!
