What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of LaBelle Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Beatriz Alvarado at 678-842-6955 or Beatriz.alvarado@cobbk12.org to provide feedback.

Teachers, Parents, and Students-Together for Success

LaBelle Teachers Will:

Will send home materials to help parents support the phonics reading goal in K-2nd grade.

Send home materials like a number line, part-part whole mat, and ten frames to support counting fluency. In addition, provide parents with strategies to support addition and subtraction practice at home.

Provide take-home books on the students' level or a phonics-decodable passage to support reading fluency. The book may be in paper or digital format. In addition, provide parents with strategies to develop reading fluency at home.

Send weekly updates on learning topics and specials events via CTLS.

LaBelle Families Will:

Practice phonics words with my child three times a week for 10 minutes in K-2nd grade.

Read nightly with my child for at least 10 minutes, increasing to at least 20 minutes by 2nd grade.

For K-2nd grade students, listen to my child count as high as they can with the goal of counting to 100 for K students and counting to 120 for 1st-2nd grade students. In addition, practice counting by 10s and counting backward from 20.

Check CTLS for posts and messages from my child's teacher.

LaBelle Students Will:

Read daily.

In Kindergarten, practice phonics words to make sure I can reach my phonics word goals and count as high as I can to an adult.

For 1st grade, practice counting, practice addition and subtraction facts within 20.

In 2nd grade, practice counting, use flashcards to practice my addition and subtraction facts with an adult.

One Team, One Goal, Student Success!
