What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Powers Ferry Elementary School worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Jennifer Letzer at (770)578-7936 or Jennifer.Letzer@cobbk12.org to provide feedback.

"Breaking Barriers and Building Bonds for Better Learning"

District Goals for Student Achievement

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Powers Ferry Elementary School Goal(s) for Student Achievement

Goal #1: The percentage of students in 3rd, 4th and 5th grades scoring proficient in reading will increase from 57% to 59%, as measured by 2024-2025 ELA Milestones.

Goal #2: The percentage students in 3rd, 4th and 5th grades scoring proficient in math will increase from 59% to 61%, as measured by the 2024-2025 Math Milestones.

Goal #3: By May 2026, 20% of multilingual learners in grades 1-5 will increase their overall English proficiency by an average of .5 proficiency points on the composite score of the ACCESS for ELLs assessment, measured in the 2025-2026 testing cycle.

Teachers, Parents, and Students-Together for Success

Powers Ferry Elementary Teachers

Teachers will complete reflection surveys to identify areas of writing they observed that are yielding growth and identify areas of needed improvement (next steps).

Teachers will engage in professional learning to explicitly teach the craft of writing to all students daily, as prescribed by the 120-minute literacy block. District Literacy Coaches and Administrators will gather baseline data for implementation of writing to aid specific grade levels and teachers.

All K- 5th Grade teachers will use the 5-Step Strategy for Solving Word Problems daily to increase students' conceptual understanding of grade-level appropriate story problems as indicated by monthly instructional walks.

Powers Ferry Elementary Families

All parents will have access to their CTLS Parent and ParentVue accounts to stay current with student assignments, progress and communication with teachers and school administration.

Read with your child and encourage your child to read daily, and talk to them about what they're learning in school. Utilize the Parent Resource Room at the school and check out educational resources to use at home.

Join the Parent Teacher Association (PTA), parent teacher conferences, attend school events and monthly parent meetings such as Words With Wilson.

Powers Ferry Elementary Students

Students will check agendas, CTLS Learn and classroom agenda, reading log, student goal sheets daily for assignments and communication from teacher.

Incorporate daily scheduled independent reading time to increase reading and comprehension levels.

Students will develop stronger phonemic awareness skills, increase encoding and decoding skills.

One Team, One Goal, Student Success!
