What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Riverside Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Parent Facilitator : Annette Dangerfield-Lewis at 770-819-5851 or Annette.dangerfield-lewis@cobbk12.org to provide feedback.

Riverside Elementary Activities to Build Partnerships

Please consider joining us through some of the events listed below. Volunteer opportunities may be virtual or face to face.

District Goals for Student Achievement

- By SY26, increase growth by 2 percentage points, for students scoring at the proficient and distinguished levels, as evidenced by state assessments.
- By SY28, increase graduation rate from 87% to 88% as measured by GaDOE adjusted cohort graduation rate.

Riverside Elementary Goal(s) for Student Achievement

Goal 1: ELA - K-2: The percentage of students in kindergarten through second grade with an Amira ARM score at the 50th percentile or higher will increase from 43% (83 students) to 60% (117 students) by the end of the 2025-2026 school year.

Goal 2: MATH—K-2 Math Goal: The percentage of 1st and 2nd grade students scoring Overall "Prepared" will increase from 14% (29 students out of 213 students) to 28% (60 students out of 213 students) as measured by the 2025-2026 Spring Beacon

Teachers, Parents, and Students-Together for Success

Riverside Elementary Teachers

Teachers will provide parents with phonics skills being worked on in the classroom that can be reinforced at home.

Teachers will provide families with math resources, manipulatives and web resources to support math proficiency.

Offer Title 1 events focused on our school goals. Riverside will offer Literacy and Math Nights, and Parent workshops that concentrate on strategies to increase academic achievement.

Riverside Elementary Families

Families will practice weekly phonics skills with students at least 2-3 times per week.

Families will ensure math resources and manipulatives are used for daily practice to help students solve math problem.

Families will attend at least 1 Title 1 event per school year, or get information from the parent engagement facilitator, academic coaches, or their child's teacher to help support their child's academic achievement.

Riverside Elementary Students

Students will participate in phonics lessons at school and review of skills at home.

The students will share examples of math strategies learned in class with parents.

The students will bring home class newsletters and notices about school events. Students will practice with their family strategies and activities that were learned at the event to increase academic achievement.

One Team, One Goal, Student Success!
