What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Argyle Elementary worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Zoila Hill at 678.842.6800 or Zoila.hill@cobbk12.org to provide feedback.

District Goals for Student Achievement

2026-2027 CCSD District Goals

- By SY29, increase by 2 percentage points the number of students performing at the proficient and distinguished levels, as evidenced by state assessments.
- By SY29, increase graduation rate from 89% to 91% as measured by GaDOE adjusted cohort graduation rate.

Argyle Elementary Goal(s) for Student Achievement

Literacy Goal: The percent of 1st-5th grade students scoring within the "Prepared" range will increase from 30% (71 students) to 32% (76 students) as measured by the 2026-2027 Beacon assessment.

3-5 Math Goal: The percent of students scoring within the "Proficient and Distinguished" range will increase from 42% (62 students) to 44% (64 students) as measured by the 2026-2027 EOG Math Assessment

Teachers, Parents, and Students-Together for Success

Argyle Elementary Teachers Will:

- Teachers will send home reading and math tips and strategies for each instructional unit to help families support their child's learning at home.
- Teachers will provide students and families with targeted academic activities and instructional support that strengthen written responses, critical thinking, and independent learning skills.
- Teachers will collaborate with students and families through Family Data Night and conferences to review student progress, set meaningful learning goals, monitor growth, and support continued academic achievement throughout the school year.

Argyle Elementary Families Will:

- Families will review and use the reading and math tips and strategies shared by teachers to support learning at home.
- Families will complete academic activities with their child and support consistent learning habits that strengthen independent learning and academic success.
- Families will participate in Family Data Night and conferences to review student progress, discuss learning goals, monitor growth, and support continued academic achievement throughout the school year.

Argyle Elementary Students Will:

- Students will use the reading and math tips and strategies to strengthen academic skills at home and at school.
- Students will complete academic activities, apply instructional strategies, and practice independent learning skills to support academic success.
- Students will participate in academic discussions with their family and teacher to reflect on progress, set learning goals, monitor growth, and take ownership of their learning throughout the school year.
