What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers, develop together. It explains how parents and teachers will work together to make sure all of our students succeed. This compact includes strategies to help connect learning at school to learning at home.

Jointly Developed

The parents, students, and staff of Cobb Horizon High School/Cobb worked together and shared ideas to develop the school-parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Parents are encouraged to participate in the annual review process of the compact and make changes based on students' needs. Parents are welcome to contribute comments at any time. Please contact Shanti Ventura at 678-594-8240 or shanti.ventura@cobbk12.org to provide feedback.

Teachers, Parents, and Students-Together for Success

Cobb Horizon HS Teachers

Strategy #1

Virtual Parent Success Academy -

Educate parents on effective strategies to support their children's success in high school. Range of topics, including study habits, time management, and communication skills. Parents will understand the importance of regular attendance and recognize the signs of academic or emotional struggles.

Strategy #2

Enrollment Meetings/Orientations-

At the start of the school year, and Quarterly, students and families are invited to campus to receive training on how to access our districtwide communication system: ParentVue. The program allows families to easily communicate with teachers right from their phones as well as check student grades. They also receive training and support in accessing our learning platform CTLs. For COLA students, this includes how to access the live virtual students.

Strategy #3

Post-Secondary Opportunities Virtual

parent session: Session will provide parents with a comprehensive overview of the various pathways available after high school, including college, vocational training, apprenticeships, and direct entry into the workforce. We will discuss the benefits and requirements of each option. We will cover important topics such as the college application process, financial aid, scholarships, and the importance of early planning.
