INVESTING IN YOUR FUTURE: THE BENEFITS OF EARNING ADVANCED DEGREES

**BETTER PAY AT NO COST TO YOU** \*Based on salary schedule for 5<sup>th</sup> year teacher

THAT'S AN INCREASE IN PAY BY MORE THAN **\$25,000** \*WITH A DOCTORATE

## NEW OPPORTUNITIES

- ACADEMIC COACH
- ADMINISTRATIVE
- DISTRICT LEADERSHIP

## PERSONAL GROWTH

Advanced degree programs provide a unique opportunity for personal growth and development. Through academic challenges and real-world experiences, graduate students can enhance their skills, knowledge, and perspective, building the confidence and resilience needed to succeed in their professional and personal lives.

## RETIREMENT ADVANTAGES

Cobb already rewards its experienced teachers with the best pay in the metro area, and it gets even better with an advanced degree. Educators that invest in themselves with a Masters, Specialist, or Doctorate can expect to earn hundreds of thousands more dollars over their career than those without one. And that money carries over into retirement with a higher pension.
